

TRUCK REPAIR JOB IS BEFORE COUNTY JURY

An Adams County jury this afternoon will decide whether a New Oxford R. 1 mechanic did a good job in repairing a Mack truck engine and thus should be paid his bill of \$403.14 or whether he "bit off more than he could chew" and not only should not be paid but instead pay damages to the owner of the truck.

The jury of nine men and three women hearing the assumption action brought by Charles E. Stockham, trading as Stockham's Garage, against Robert Zoeller, also of New Oxford R. 1, and the counter charge brought by Zoeller against Stockham received a rapid course in the mechanics of the internal combustion engine during the beginning of the trial Tuesday afternoon.

When the case opened Attorney Edward B. Bulleit, representing Stockham, had him give details concerning crankshafts, bearings and "shims" and the operation of gasoline engines. And when Stockham sometimes found difficulty in putting the information into laymen's language, Judge W. C. Sheely revealed an extensive knowledge of how gasoline engines work in adding to the education of the jurors.

TESTIMONY DISAGREES

The background was basic to the question put to the jury. Stockham claims he faithfully performed the work assigned him when Zoeller brought his truck to him for repair. Zoeller contends that the work was not properly done and as a result he lost use of his truck and was put to unnecessary expense.

Stockham admitted "doing some things which should not be done," but said he put in shims and did

New Industry Will Locate In Seven Stars

Julian Estep, president of the Gettysburg Chamber of Commerce, announced today that through the cooperation of the Western Maryland Railroad and the industrial committee of the chamber they have secured another industry for Adams County, the Hercules Alcor Chemical Company, Inc.

Tuesday afternoon the firm signed an agreement with John Settle and Robert Shull "to set up operations" in the packing house at Seven Stars, according to Paul Cromwell, vice president of the firm. It is expected that they will start operations July 1, employing about 30 persons.

Joseph F. Martin, president, and Cromwell, vice president of Hercules, were brought to Gettysburg by the Western Maryland Railroad's industrial department, W. E. Johnston, manager. The negotiations were completed by the chamber's industrial committee and the railroad's industrial department.

IS NEW DIVISION

The Hercules company will buy aluminum skimmings from major concerns throughout the United States and Canada. These skimmings will be combined with chlorine gas to form aluminum chloride, the basic product of the company. The product, in liquid form, will be sold to petroleum companies to be used as a basic product in making detergents for soap products like "Duz," "Mr. Clean," etc. The major market for Hercules will be the Continental Oil, Inc., Baltimore, Estep said.

Hercules has a large plant in Port Colborne, Ontario, and offices in New York and Ohio.

The Seven Stars plant is a new division of the business, not a transfer from elsewhere.

It is expected that, at full capacity, employment will reach 50 persons.

LOSES POCKETBOOK

Phyllis Johnson, R. 1, reported to borough police that she left her white pocketbook at a local washette and when she returned for it Tuesday evening the pocketbook was gone.

GET INDUCTION CALL

The Adams County draft board received a preinduction call for eight men on June 8, Dorothy P. Swisher, clerk, announced today. This is the first call, draft or physicals, since February, she said.

Deny Atlantic Co. Purchased Hotel

Rumors have been widespread in recent days here to the effect that the Atlantic Refining Company had purchased the Adams House property, formerly the Eagle Hotel and Eberhart Apartments, and that the area will be leveled and a new building erected by August 1.

The owners of the property told The Gettysburg Times that the property has not been sold as yet.

The rumors that have been circulated here are that Atlantic will erect a modern service station, parking lot and service supply business at that location and have all in operation in two months.

R. C. SUMMER SWIM CLASSES BEGIN JULY 3

The Adams County Chapter of the Red Cross announced today that its summer swimming classes will open July 3 and that Wednesday, May 31, will be the final day for registrations.

Classes for beginners, which will operate for only one week per course instead of the previous schedule of two weeks, will begin at the Battletield Pool Monday, July 3, at 9 a.m. and will continue through to 1 p.m. all that week.

Other beginners' classes will be conducted from July 10-14 and July 17 to 21.

Classes for intermediates and swimmers will be held July 24-28 from 9 to 11 a.m. and for junior and senior life savers from 11 a.m. to 1 p.m. on the same dates.

IN OTHER COMMUNITIES

All of the local classes will be conducted at the Battletield Pool, the only pool here made available for the Red Cross classes.

Arrangements are being made to hold classes in a new pool at McSherrystown and the Crouse pool at Littlestown will be used for summer classes again if qualified instructors can be secured.

Mrs. Peggy P. Hill, the Red Cross executive secretary, said the staff for the Gettysburg classes is being completed.

There was no definite announcement about the possibility of evening swimming classes for adults here this summer. If there is interest in such classes and if a staff can be procured, they can be arranged, Mrs. Hill said.

St. James Women To Elect Thursday

The Women of St. James Lutheran Church will hold their annual business meeting in the church dining room Thursday evening at 7:30 o'clock, according to Mrs. C. C. Culp, president. Officers will be elected and members assigned to new circles.

Mrs. K. O. Deardorff, who is planning the meeting, said special musical numbers will be given, devotions will be presented by the Dorcas Circle, Mrs. Foster Beard, leader, and members of the Miriam Circle, Mrs. Paul L. Reaser, leader, and the Elizabeth Circle, Miss Irene Day, leader, will be the hostesses.

The Adams County court this morning approved the tax collector bond of \$76,000 of LeRoy W. Bish, Littlestown tax collector.

U.S. Would Add Indonesia, Malaya To Geneva Session

By JOHN BAUSMAN
GENEVA (AP)—The United States today supported a Thai proposal to add Indonesia and Malaya to the East-West conference on Laos, anticipating that they would swell the pressure for a sound plan to pacify and demilitarize the Southeast Asian battleground.

The American delegation in a statement said enlarging the conference as Thailand proposed Tuesday would be in line with U.S. policy favoring the widest possible consultation by countries in areas where problems occur. U.S. delegates were reported to feel that Burma, Cambodia and Thailand—Southeast Asian countries already at the conference—had shown a strong desire for a truly neutral Laos. The Americans believed Malaya and Indonesia would add to the pressure that this pro-neutrality bloc could exert on the Communists.

The U.S. delegation was reported toward another Thai proposal to add Indonesia and Malaya to the International Control Commission for Laos, now made up of India, Canada and Poland. The U.S. statement said any enlargement of the commission "would have to be decided in consultation with present members of the ICC both as to the advantages and the need."

The conference was expected to take up a message today from the truce commission concerning the cease-fire the commission is supposed to be watching.

CONTENTS NOT REVEALED

There was no indication of what the message said. It was received Monday and discussed Tuesday by the conference co-chairmen, Foreign Minister Andrei Gromyko of the Soviet Union and Malcolm MacDonald of Britain.

The opening of the conference May 12 was delayed 24 hours until assurances were received from the control commission that a cease-fire was in effect. Since

LOCAL CHURCH IS OPERATING 'HELP' CENTER

Formation of a Gettysburg Brethren Service Center by the Brethren Service Commission as a project of the local Church of the Brethren was announced following a work and evaluation meeting held by the service group Tuesday evening at the warehouse it has established in the former Ogburn Body Shop building along the Biglerville Rd., near the Brethren Church.

R. Kenneth Foust, chairman of the Brethren Service Commission, presided at the meeting at which reports showed five families have been aided so far by the warehouse set up to provide immediate aid in case of fire, flood, disaster of any sort or other need. At the same time the group voted to offer the county commissioners the services of the Brethren Service Center free of charge for distribution of surplus food to the needy if the county adopts such a program.

CHAIRMAN REPORTS

Edwin Walters, Gettysburg R. 3, chairman of the project, reported on activities of the group during the two months it has been operating. Members visited the Brethren World Service Center at New Windsor to learn how to repair articles and store them so they will last indefinitely.

One Puerto Rican family, the parents and three children, which moved to Biglerville R. 1, planning to make a permanent home here, was found to be sleeping on floors, with no beds, bed covering or worthwhile furniture. Investigation showed the father was a hard worker whose income covered the support of the family but left no funds for purchase of furniture.

PARC Unit Holds Its Annual Election

The last meeting of the year of the Adams County chapter of the Pennsylvania Association for Retarded Children was held on Tuesday at the Day Care Training Center.

These officers were elected for next year: Mrs. Donald Hubbard, president; Mrs. Evers Rinehart, vice president; Mrs. Frank Weigle, secretary, and David Blosser, treasurer.

Summer recreation programs for retarded children were announced. These include camping at Camp Sertoma, swimming at Gettysburg College and swimming under Red Cross supervision.

Those attending the meeting heard a tape recording of a typical day at the Day Care Training Center in which many of the younger children participated.

Mt. Joy's School Budget Is Ready

The temporary budget of the Mt. Joy School Board was set up at a recent meeting of the directors and totals \$138,582.21. It is expected that \$31,758 will be received from real estate for the tax rate is 50 mills; \$82,027 is expected from the state. The per capita tax remains the same at \$10 and the occupation tax is 15 per cent. Tuition receipts will be \$4,500 and under Act 481, \$1,356 will be received. The board will pay \$42,912.21 to the Littlestown Jointure and \$68,525 to the Gettysburg Jointure.

The budget will be adopted at the next meeting of the board on Tuesday, June 13, at the Littlestown High School and until that time, it is open for inspection at the home of the secretary, Charles M. A. Shildt, Tannetown R. 1, Rex Maddox, Gettysburg R. 1, is president of the Mt. Joy board.

ESTEP TELLS EXCHANGE OF CHAMBER WORK

Julian Estep, president of the Chamber of Commerce, told the Exchange Club at its regular weekly dinner meeting Tuesday evening in the Lamp Post Tea Room that the chamber is "fully and solely responsible for bringing industries to this community. We have just signed an agreement with an industry today and we are working on several more."

Estep said the Hercules Alcor Chemical Co., Inc., will occupy the John Settle warehouse at Seven Stars.

He said that during the past three or four years he has been trying to set up the chamber for this purpose.

"The chamber is formed on a national, state and local level. In Washington, they keep the state informed of pending legislation which would concern the local units, while the state passes on pertinent data to other units."

"The local chamber has four committees with a chairman and 25 or 30 members. The board members do not attend the committee meetings unless requested to do so. Ralph K. Will is chairman of the civic affairs committee; Julius Swope, roads and highways; Frank Sapp, membership, and J. Howard Gaines, industrial committee."

CITES COOPERATION

Estep pointed out the cooperation the chamber receives from the town council.

He praised the industrial committee for its effort to bring industry into the community. "Many

PLAN EXAM FOR RURAL CARRIER

An examination for rural carrier for the local post office will be open for acceptance of applications until June 20, the Civil Service Commission announced today.

Applicants must take a written test. They must have resided within the delivery of the office for one year immediately preceding the closing date of the examination. In addition, they must have reached their 18th birthday on the closing date for acceptance of applications. There is no maximum age limit. However, persons who have passed the age of 70 may be considered only for temporary renewable appointments of one year.

Complete information on requirements and instructions for filing applications may be obtained at the post office. Application forms must be filed with the U. S. Civil Service Commission, Washington 25, D. C., and must be received or postmarked no later than the closing date.

Engagement

Meckley-Sneeringer
Mr. and Mrs. Clarence Sneeringer, Bonneauville, have announced the engagement of their daughter, Justina, to Philip Meckley son of Mr. and Mrs. Raymond Meckley, Hanover.

Both are graduates of Delone Catholic High School. Miss Sneeringer is employed by the State Department, Harrisburg. Meckley is employed in Hanover.

No date has been set for the wedding.

Plan GAR Memorial Service On Sunday

The annual Grand Army of the Republic Memorial service will be held Sunday afternoon at 2 o'clock at the GAR home, E. Middle St. Dr. Joseph H. Riley, commander of Camp 112, Sons of Union Veterans, has announced.

Other memorial services in which the local SUV will participate over the weekend were announced by Commander Riley as: Hunterstown, Saturday evening, with the SUV members meeting at the GAR home at 5:45 o'clock to go to the program; Flohr's, Sunday morning at 8:30 o'clock, and Mt. Joy, Sunday morning at 10 o'clock.

BOY SCOUTS MAY RETURN TO 'ROUGHING IT'

Primitive camping "like the old-time Boy Scouts practiced" was contemplated for the Boy Scouts and Explorers of the Black Walnut District at a round table meeting held for the Scout leaders Tuesday night at the West St. Branch of the Gettysburg National Bank.

Recalling the camporee last weekend at South Mountain Fairgrounds as "the best yet," the Scout leaders however decided to try within their own units "more old-fashioned camping than that."

Noting that the units had used canned and frozen foods, traveled with refrigerators and tents and otherwise enjoyed the "benefits of modern civilization" at the camporee, the Scoutmasters discussed the possibility of attempting encampments on an individual unit basis during which the Scouts would build lean-tos from wood and branches at the scene of the encampment instead of using tents, would carry with them "nothing but raw food" and would hike to the camp site.

TO REQUIRE TRAINING

Scout Executive Stanley C. Rogers, presiding at the meeting, and the Scoutmasters present agreed that before such camping is attempted a period of training will be necessary.

"Patrol boxes" made by Troop 79 were praised by the other scoutmasters. Each box contains sufficient equipment for one patrol to camp. It was explained that not only do the "patrol boxes" make it easy to transport the materials but also provide an easy check after an encampment to

BERWICK TWP. RECEIVES AID

Berwick Twp. today became the first municipality in the county to complete the work it had assigned itself in its petition for county aid and received the \$971.77 promised it by the county.

The county commissioners at their meeting in the courthouse this morning said Berwick had asked the amount to aid in "repair work caused by the severe winter." All of the work has been completed satisfactorily, according to the state inspectors whose approval must be secured in all cases before the county pays the county aid.

So far 19 of the county's townships and boroughs have asked for county aid. Thirteen of the districts have not at yet made application for any county money for street and road work.

GET STATE HELP

Conewago Twp. School District will receive \$3,885.13 from the state toward rental for the new Conewago Elementary School, according to word received by the county superintendent of school's office.

GET PAGEANT BILLS

County Home Superintendent W. E. Jordan reported this morning that the guests there have become acclimated to the new county home to which they were moved earlier this month "and most find it far superior to the old home." He reported the first death at the home as occurring Tuesday.

Mrs. Roy W. Gifford, appearing in connection with bills for the recent re-enactment of the "Departure of the Independent Blues" was praised by the commissioners and asked to "continue the good work for the rest of the Civil War Centennial period."

The commissioners reported they have reached no decisions so far in plans to renovate the basement of the courthouse into offices.

Plans were made to count Friday morning the military and absentee ballots cast in connection with the primary.

CLUB MEETS

The Adams County Town and Business Club met on Monday evening in the West St. branch of the Gettysburg National Bank. L. S. Long, district sales manager of the C. H. Musselman Company, was the guest speaker, and emphasized advertising and salesmanship. The club will meet again on Monday, June 5, at Peach Glen.

BREAK GROUND JUNE 7 FOR NEW MOUNT CENTER

The 153rd commencement of Mt. St. Mary's College, Emmitsburg, June 7-8, will have a strong Maryland flavor. Governor J. Milford Tawes will deliver the address to the graduates on June 7 at 10:30 a.m. in memorial gymnasium. Rev. Austin L. Healy, pastor of St. Stephen's Church, Bradshaw, Md., will deliver the baccalaureate address in the college chapel at 4:30 p.m. June 6. Bishop Michael W. Hyle, D.D., of Wilmington, Del., a native Baltimorean, and Very Rev. Msgr. Porter J. White, J.C.D., vice chancellor of Baltimore and secretary to Archbishop Keough, will receive honorary LL.D. degrees together with the speakers.

The traditional "Exi" week ceremonies will begin with ordinations in the college chapel on June 3 at 8:30 a.m. On June 5, a Solemn Requiem Mass will be offered for deceased alumni and friends of the college at 8:30 a.m.

HONORS CONVOCATION

The honors convocation will be held at 3:45 p.m. on June 6 on the terrace before McCaffery Hall with Rt. Rev. John L. Sheridan, president of the college, presiding. Following Fr. Healy's baccalaureate, graduates and their parents will be guests of the faculty at a buffet supper in Bradley Hall. The annual dinner meeting of the National Alumni Association will be held at 6 p.m. in McCaffery Hall. The Senior prom will follow at 9 p.m.

Ground breaking for the new Student Union Building will take place at 9:45 a.m. on June 7 with Msgr. Sheridan presiding. Degrees will be awarded at 10:30 a.m. with Most Rev. Francis P. Keough, archbishop of Baltimore, presiding.

A buffet luncheon for the graduates at noon in Bradley Hall and the annual alumni banquet in McCaffery Hall with John V. Morgan, New York City, presiding, will close the activities.

ORDINATIONS ANNIVERSARY

Rev. Fr. Austin Healy will mark the 25th anniversary of his ordination at Mt. St. Mary's Seminary. He was graduated from the college with an A.B. in 1932 and completed his seminary work in 1936.

Following parish work, he

Kennedy Backs Cuban Barter With Civilians

WASHINGTON (AP)—President Kennedy today gave his support to the tractors-for-prisoners exchange with Fidel Castro, but said the government could play no part in it.

The White House issued a statement in which Kennedy urged the public to contribute to funds with which a private committee plans to buy tractors to swap for the liberation of 1,200 men captured in the ill-fated invasion of Cuba last month by anti-Castro exiles.

At the same time, it was disclosed that Kennedy participated in getting together the group which is conducting the drive for money.

This includes Eleanor Roosevelt, Walter Reuther, head of the United Auto Workers, and Dr. Milton S. Eisenhower, president of Johns Hopkins University.

SANITATION COMMITTEE IS AT WORK HERE

Gettysburg has adopted an "Environmental Sanitation Committee" in an attempt to clean up problems discovered in a recent survey made by state Health Department officials.

Burgess Wilbur L. Plank said this morning that a committee comprising himself, Chief of Police Jack Bartlett; Jack S. Libby, sanitarian for the state Department of Health for Adams County; plus Mrs. James Schwenk, and others from time to time, is meeting each Monday morning at 9:30 o'clock at the engine house to consider health problems of the town.

Individuals on whose properties problems exist are called in, to one meeting or several, to discuss with the committee the problem and methods of solving it.

EXPECTED TO HELP

Plank said he believes the system will solve "90 per cent of the problems" disclosed by the recent survey.

Minor problems in connection with the survey have been solved by having Chief of Police Bartlett check alleys from time to time and where unsanitary conditions are discovered speak to the owner. As a result, Chief Bartlett said: "A lot of debris has been cleaned up and our alleys are beginning to look better."

Where major problems occur, the meetings with the owners will help find a reasonable solution to the problem, the burgess believes.

Plank said "the committee meetings are not to threaten anyone but to work with them. We believe everyone wants a better, cleaner town. The committee helps suggest ways in which the results can be obtained."

The committee also is studying recommendations to be made to council concerning possible changes in ordinances to cover various sanitation conditions.

SOROPTIMIST CLUB MEETS

Conference reports were heard Tuesday evening at the monthly business meeting of the Soroptimist Club of Gettysburg. The club was represented at the North Atlantic Region of Soroptimist Clubs spring conference at Rochester, N. Y., May 12, 13 and 14 by the president, Mrs. S. A. Burton, and two delegates, Mrs. (Continued On Page 3)

SEMINARY TO GRADUATE 40 FRIDAY NIGHT

The Rev. Dr. Harold R. Albert, pastor of historic First Lutheran Church of Pittsburgh, will deliver the address at the annual commencement services to be held in the Church of the Abiding Presence on the campus of the Gettysburg Lutheran Theological Seminary Friday evening at 7:45 o'clock.

Forty graduates will receive the B.A. degree; two will be given the M.A. degree and one candidate will receive the degree of Master of Sacred Theology.

There will be special music by the seminary choir under the direction of Robert S. Clippinger.

CHAMBER ANNOUNCES NEW 'BIE' DAY

Plans for a "Better Industrial Education Day" were discussed and chairmen were appointed at a meeting of the industrial committee of the Gettysburg Chamber of Commerce in the Lamp Post Tea Room Tuesday noon.

The program is designed to promote better understanding and cooperation between business, industry and educational institutions. Richard A. Hartley and Dr. Seymour Dunn were appointed co-chairmen to organize and promote the affair in the fall. The program is held in cooperation with the state Chamber of Commerce.

Chairman J. Howard Gaines appointed co-chairmen of the following committees: Site, Francis Timlin; data, Douglas Houston, and promotion, Nicholas Juengert. He said that a finance committee will be appointed later. The reception committee includes William Bigham, James Hayes, Richard Hartley and Atty John McPhail. Gaines said a new industrial brochure will be published.

Timlin reported the Pennsylvania Industrial Clinic he attended recently in Harrisburg.

Hartley suggested that the committee inquire further into the water pressure problem for industry.

Gaines said that prospects for more industries in Gettysburg appear promising. "We are more optimistic than ever," he added.

FIREMEN CALLED

Gettysburg firemen were called at 11:35 o'clock Tuesday night to extinguish a fire in a car operated by Gerald Cleveland, Gettysburg R. 6. The blaze occurred when the vehicle was at the intersection of Buford Ave. and Chambersburg St. The fire was extinguished quickly by the first truck on the scene and the second was turned back by radio before reaching the scene.

BILL FOR AID TO EDUCATION NEAR PASSAGE

By JOE HALL

WASHINGTON (AP) — President Kennedy's federal aid to education bill neared final victory in the Senate today but actual passage was not expected until Thursday.

Senate Majority Leader Mike Mansfield of Montana told newsmen he hoped to dispose of all remaining amendments to the hotly disputed \$2.55-billion public school measure today.

Mansfield called the Senate in three hours early to try to get a quick start at beating down four or five expected amendments.

He said some lengthy opposition speeches undoubtedly would delay the roll call to pass the bill until Thursday.

67-PAGE SPEECH

Sen. Strom Thurmond, D-S.C., for one, has prepared a 67-page speech lambasting the measure—a major item on President Kennedy's 1961 program. Thurmond estimated it would take three or four hours to make his point.

The House Education Committee meets again today on its version of the school legislation and may clear it for floor action.

The administration won a big victory in this group Tuesday when supporters of aid for private schools withheld their amendment. Administration forces feared inclusion of such a provision would kill the bill.

PLANS AMENDMENT

Sen. Barry Goldwater, R-Ariz., had an amendment pending as the Senate convened this morning. It would strike from the bill all aid for teacher salaries. It was given no chance of adoption.

Administration forces easily quashed two Republican amendments to the bill, including a substitute proposed by Goldwater.

Turned down 62 to 32 was a civil rights amendment sponsored by Sen. Kenneth B. Keating, R-N.Y. It would have authorized taxpayers to file federal District Court suits to bar grants to states not complying with the Supreme Court's 1954 school desegregation decision.

REQUESTS EARLY REGISTRATION

Registration for Adams County women planning to attend Extension Homemakers Week must be made with Mrs. Helen D. Tunison, extension home economist, by June 1, the economist said today.

Completing registration forms and mailing promptly will insure adequate housing for the event at the Pennsylvania State University, June 19 to 22, she said.

Mrs. Tunison reminds each woman to check her special interest group choices on the card. Each woman will check five groups in order of preference. When she registers on June 19, she will be assigned to four of her choice. Each interest group will meet for a half-day session.

There are nine Adams County women already registered. They are Mrs. Anna Bair, Littlestown; Mrs. Melvin Nace, Mrs. Irene Appler and Mrs. Charles Smith, Hanover; Mrs. Pauline Crouse, Mrs. Sadie Almon and Mrs. William Teeter, Gettysburg; Mrs. Clarence Lough and Mrs. James Myers, New Oxford.

Send registration forms to the Agricultural Extension Office Courthouse, Gettysburg.

ADVANCE PLANS ON HORSE SHOW

Further plans for the annual Gettysburg Horse Show to be held June 18 at the ring at the Twin Lakes development, west of town, were outlined at a meeting of committee chairmen Tuesday evening at the home of Dr. Bruce N. Wolff, Springs Ave.

Leo McDermitt, general chairman for the Gettysburg Riding Club committee for the show, and Clifford B. Snowberger, general chairman for the Rotary Club committee, presided at the joint session of the two committees which work together on the annual presentation.

Trophies and ribbons are being secured, notices have been sent horse show participants, and advertisements are being sold at the present time for the program issued at the show, according to reports at the meeting.

Funds raised by the show and sale of advertisements are divided between the riding club and Rotary and go into the charity funds of the two organizations.

Orchard Tractor Damaged By Fire

A fire caused an estimated \$1,500 damage to a tractor owned by Harry Bittinger, near Cashtown, about 7:15 o'clock this morning, according to Cashtown Fire Chief Owen Bucher.

Bucher said that Bittinger was spraying a peach orchard when the tractor caught fire. He tried to put it out but failed and called the Cashtown Fire Co., who extinguished the blaze.

Molly O'Brien, daughter of Mr. and Mrs. John O'Brien, was crowned queen of the May Tuesday morning at Mrs. J. B. Collins' kindergarten, E. Broadway, when the children entertained their parents and friends at May Day festivities and graduation. In the afternoon a similar honor was given Jody Kujovich, daughter of Mr. and Mrs. Lewis Kujovich. Both were selected by a vote of their classmates. John Charles Hays presided at the morning ceremony and Nicky Meligakes in the afternoon.

Chosen by the group to attend the queen in the morning were Beverly Knox, Robert Foth, Lisa Burkholder and Brent Smith. Crown-bearer was Andy Frank. The afternoon group chose Jan Shainline, Ricky Lindeman, Lisa Hagmayer and Keith Settle as attendants with Robert Hafer as crown-bearer.

Maypole dancers in addition to the attendants included Mary Jo Tussing, Amy Epley, Carolyn Diehl, Freddie Frasch, Dennis Plank and Lee Benson in the morning group and Christina Hubbard, Linda Yarnall, Jimmy Leitzel and Douglas Boylan in the afternoon.

The programs opened with a procession, the flag salute, the singing of "America" and a choral reading of the "Twenty-third Psalm." Group singing, reciting and finger plays followed. Each rhythm band played a selection with Lee Benson as the leader in the morning and Jan Shainline in the afternoon. The programs concluded with a dramatization "Community Helpers" in which all the children participated.

Paul Burkholder, principal of the Eisenhower School, presented diplomas to the children in the morning. The diplomas were presented to the afternoon group by John Shainline, dean of students at Gettysburg College.

Leader Of Coup In Korea Plans To Visit Kennedy

SEOUL, South Korea (AP)—The leader of South Korea's successful military revolt, Lt. Gen. Chang Do-young, announced today he plans to leave for the United States soon to sell his regime to President Kennedy and the American people.

The U.S. Embassy, which had opposed the coup last week, said no invitation had been issued to Chang but it was taking the matter up with the State Department.

Initial reaction in Washington was cool.

Chang, who is head of the ruling military council, premier, defense minister and army chief of staff, said "reliable informants have told me President Kennedy wants to see and talk with me personally."

"CLOSE U.S. TIES"

The 38-year-old general said he would "seek support for our efforts to achieve the revolutionary tasks and thus promote furthering of close ties between the two countries."

The junta has said the aim of its revolution is to weed out Communist infiltrators from North Korea, end official corruption and rejuvenate the economy.

Later Chang conferred with U.S. Charge d'Affaires Marshall Green and with three aides applied for U.S. visas at the American consulate.

Korean army leaders and U.S. Gen. Carter B. Magruder were reported still deadlocked over details of a formal agreement renewing acknowledgement of Magruder's authority over Korean forces as U.N. commander in Korea. At issue is the return of 7,000 Korean troops occupying Seoul since the coup to Magruder's authority and the U.S. general's right to pass on Korean army appointments.

Chang's iron-fisted regime stepped up its crackdown against what it called social evils and subversion.

A military court sentenced 45 young people to jail terms ranging from three months to a year for dancing at an unlicensed hall in violation of martial law regulations.

ULCA Okays New Merger Of Groups

NEW YORK (AP)—The United Lutheran Church in America has approved a merger with three other Lutheran churches resulting in a 3,200,000-member Lutheran Church in America.

An announcement said ratification of the merger was completed when the Texas-Louisiana Synod voted approval Tuesday in Houston, Tex.

The Texas-Louisiana Synod was the 22nd to vote in favor of the merger. Approval by two-thirds of the synods making up the United Lutheran Church was needed for ratification.

United Lutheran will merge with the Augustana Lutheran Church, the American Evangelical Lutheran Church and the Finnish Evangelical Lutheran Church.

The latter three churches will vote on ratification of the merger at conventions this year. If they approve the merger will become effective in January 1963.

3 PRR Sleeping Cars Are Derailed

PHILADELPHIA (AP) — Three Pennsylvania Railroad sleeping cars were derailed Tuesday, causing a half-hour delay of commuter trains to Chester and Wilmington, Del.

None of the eight passengers in the three cars of the PRR's "Afternoon Keystone" was reported injured. Fourteen of the 17 cars continued to Washington.

The seven sleeping cars on the Keystone are routed south at Washington.

The commuter trains were derailed over freight lines. Two tracks on the railroad's main line also were blocked four hours.

A railroad spokesman said the cause of the derailment has not been determined.

then, Western delegations have alleged violations of the truce, while Thailand has charged there is full-scale fighting.

Eastern and neutral delegates contend that the cease-fire exists, that some minor violations are to be expected and that this is not important.

As the conference turned to procedural matters, it had before it still another plan for establishing Laos as a unified, neutral nation, this one from France.

WITHDRAW ADVISERS

Introduced by Ambassador Jean Chauvel, the French plan called for withdrawal of both the U.S. military advisers helping Premier Prince Boun Oum's pro-Western government and Communist North Vietnamese working with the Pathet Lao rebels. They would be replaced by French training personnel, in line with the 1954 Geneva armistice that recognized the independence of Laos, Cambodia and North and South Vietnam.

The 1954 agreements authorized France to keep 1,500 military instructors in Laos and maintain two bases with up to 3,500 soldiers.

France, preoccupied with the war in Algeria, turned most of the training job over to the United States and kept only a tiny force on the bases.

The French plan also calls for the future Laotian government to promise not to join any military alliance and for the conference nations to agree to abstain from any direct or indirect interference in the internal affairs of Laos.

Yakima, Wash., 150 miles east of McChord.

In addition to the 22 servicemen aboard, the Globemaster carried a 16,230-pound truck, a 5,120-pound trailer, a jeep and a light trailer. It was not a heavy load for the C124, which can carry up to 200 men.

DELAY IDENTIFICATION

The plane came down on the edge of the Ft. Lewis military reservation, adjacent to McChord. The bases are 10 miles southwest of Tacoma, Wash., and about 40 miles south of Seattle.

The 15 army men were from B Battery, 26th Field Artillery, 4th Army, at Ft. Sill.

Identification of the casualties was delayed until relatives were notified.

While rescuers were searching the burning wreckage, other Globemasters continued to take off from McChord on similar missions.

JACKSONVILLE, Fla. (AP) — A policeman who said he turned robber to finance a June honeymoon is charged with two loan company holdups.

Donald Earl Garner, 22, was arrested Tuesday shortly after \$234 was taken at gunpoint from a suburban loan company office. The same place was robbed of \$400 in February.

TRUCK REPAIR

other work when Zoeller told him to "fix it up so it will run" rather than do the complete work which Stockham said should be done. Stockham held he told Zoeller that the work would be "only temporary." The testimony showed that the truck, after repairs, operated 20 days before it broke down again.

There was dispute between the two men as to the exact words used when Stockham spoke to Zoeller about the work to be done at various steps in the week-long job.

QUESTION OF EXPERTS

Attorney Donald G. Oyler, representing Zoeller, in his argument to the jury said, "The man who sets himself up as the expert is responsible for his work. The layman doesn't know, he has to rely on the garageman, or the carpenter, or the attorney, and conversely the person who claims the expert knowledge must be responsible if he does not do a workmanlike job. In this instance, doesn't it appear Stockham bit off more than he could chew?"

Stockham in his testimony told the jury that when he first discovered the crankshaft was "out of round" he had informed Zoeller a new one was needed but was told to go ahead without making the change because it would cost too much. When two bearings burned out, one after another, Stockham testified he had gone to specialists in the truck field to find out what he could do in addition to what had been done.

DETROIT, Mich. (AP)—Daniel C. Fisher, 77, president of S. S. Kresge Co. from 1946 until his retirement in 1953, was killed Tuesday when his car struck a tree. Police said he apparently suffered a heart attack. Fisher joined Kresge in 1907 at Youngstown, Ohio, came to Detroit in 1921 as a buyer and was named a member of the board in 1935. He was elected president and general manager in 1946. He was born in Strathroy, Ont.

Hit-Run Truck Driver Sought
In Man's Death: Clarence Hardman, 20, son of Mr. and Mrs. Charles F. Hardman, of Greensboro, died Saturday afternoon at 4:10 o'clock in the Waynesboro hospital from injuries received Friday evening, May 15, when he was struck by a hit-and-run truck driver while walking along the Zora-Waynesboro road. Hardman, who, according to Donald Kline, 21, of Fairfield R. 1, was walking with him along the left side of the highway about three miles west of Zora at 10:15 o'clock when a truck struck Hardman and proceeded on its way. Kline told Patrolman George S. Harleman, of the local sub-station, that Hardman was walking about three feet behind him when he looked around he found Hardman lying along the road in an unconscious condition. The truck continued toward the Maryland line.

County Towns Hold Memorial Day Exercises: Large crowds attended the Memorial services in Arentsville and Biglerville Sunday afternoon at 2 and 4 o'clock, respectively. Gilbert Malcolm, vice president of the Dickinson college, Carlisle, was the principal speaker at Arentsville. He spoke of the general conditions in Europe and paid fitting tribute to the sacrifice of war veterans. P. S. Orner acted as master of ceremonies. The Rev. Ernest W. Brindle, pastor of the Zion Arentsville, gave the invocation. Lincoln's Gettysburg address was given by Bruce Rafenberger.

Proceeding the services in the Greenmount cemetery a parade, composed of the Arentsville school band, Sunday school children, fraternal orders and members of the American Legion posts marched from the square to the cemetery.

Service Station Opening A Success: More than 1,500 motorists visited the new Carlisle street station, formally opened by H. M. "Happy" Oyler on Saturday. The weekend patronage was the most extensive experienced by Mr. Oyler since he has been in business in Gettysburg, fifteen years, the proprietor said today. Mr. Oyler today expressed his thanks and appreciation for the generous response by Gettysburg and Adams county motorists on Saturday and Sunday. Many motorists took advantage of the free introductory offer made available during the week's opening period.

Pageant Will Feature High Commencement: A pageant dealing with social welfare in the community and in Pennsylvania will be presented by a cast of characters that includes all of the 100 members of the senior class at Gettysburg high school at the annual commencement exercises in the school auditorium, Tuesday, June 2, at 8 o'clock.

Following the pageant an address will be delivered by Dr. Milton H. Valentine, professor emeritus of English Bible at Gettysburg college, on a theme appropriate to that of the pageant. Diplomats will be presented to members of the class by Prof. Lloyd C. Keefe, superintendent of the Gettysburg school district.

Fireworks On July 4 Planned: For the first time in seven years Gettysburg will have a display of fireworks to celebrate the 160th anniversary of the declaration of Independence, July 4.

Gettysburg's Lion club, in regular weekly dinner-meeting Monday evening, voted to appropriate a sum of money to help to defray part of the expenses to be incurred in presenting a display of fireworks here July 4.

Today's Talk

KEEP LIVING AHEAD

Keep living ahead—and tack up the words: "Keep living ahead." We all grow as we spread out, like a fan, and we owe many a triumph to feeling our way ahead—just like one lost in the dark, but with faith, confidence and self-reliance to lead one into the light.

We must keep adding to the self-investment and then tramp on ahead, without fear, and full of hope, plans and vision. We soon learn that success is easier than failure.

When we feel in our heart that we have won the battle ahead we can set up new plans to fortify our standing and clear our vision. We need to have confidence in our plans and purposes.

Let us give out from our hearts and be spiritual leaders, more and more. We need to develop ideas. Without ideas we are lost.

The forward-looking life is the useful life, and the happiest. People who complain are the ones who sit and sit, who wonder and wonder why they don't get the breaks. Keep living ahead and the breaks will come your way.

People worry themselves ill by doing nothing, and having only themselves to fret over. On the other hand, people who keep living ahead, doing the simplest of tasks have no time in which to ponder their aches and griefs. And they can look around and see so many people who are far worse off than they.

Doing something interesting every hour furnishes the complete day. To feel honestly, at sunset hour, that you have had a full, useful day is to have lived in grand style.

Everything in nature is in motion. The universe is forever living ahead!

Keep living ahead!

Tomorrow Mr. Adams will talk on the subject: "Health And The Happy Mind"

Just Folks

A SONG

When the road is rough with trouble and the skies above are gray,

When I feel my feet are slipping, and I falter by the way,
Then I think of you, my lassie, as I wend my way along,
And I chase the demon, Worry, with a snatch of some love song.

When the clouds of darkness gather, and I'm far away from you,
When the rippling brooks are silent and the sun is hid from view,
Then I think of you, my lassie, and your face I seem to see,
And I chase grim Melancholy with old old-time melody.

All the flowers that nod beside me seem to beckon and to say:
We are happy, though tomorrow we may drop and fall away;
And the flowers that smile about me seem to bid me to be strong,
Then I think of you, my lassie, and I sing an old-time song.

COMMUNITY IN 1916 IS TOPIC FOR ROTARIANS

L. D. Snyder, a charter member of the Littlestown Rotary Club, was the speaker at the weekly dinner meeting of the local Rotarians on Tuesday evening in Schottie's Hotel. Mr. Snyder spoke about the community in 1916. Two visiting Rotarians, Paul Herring, Westminster and Robert Menchey, Hanover, were introduced. The vocational service committee, composed of Paul R. Snyder, chairman, Cloy I. Croue, Walter F. Crouse, Carl F. Herman, Fred W. King, Preston Myers, George P. Smith and Richard W. Staley, will be in charge of the program for the meeting next Tuesday at 6:15 p.m. at Schottie's.

The Loyalty Class of St. Paul's Lutheran Church will entertain the Senior Choir at a covered dish supper on Thursday, June 8, 6 p.m. in the church social hall. Arrangements will be made by group three, comprising Mrs. L. Robert Snyder, chairman, Mrs. Paul C. Mayers, Mrs. LeRoy W. Bish, Mrs. Raymond Geisler, Mrs. Roger J. Keefe, Mrs. Carl H. Baumgardner and Mrs. Luther C. Myers. The Senior Choir will meet following the supper. The Loyalty Class will meet after the meal on June 8 instead of June 5.

CLASS MEETING HELD

Mrs. Walter Yingling, Lumber St., was hostess for the monthly meeting of the Tuck-a-Batch Class of St. John's Lutheran Church Tuesday evening. Mrs. William J. Lippy was acting president, and the opening devotionals included singing: Psalm 15 read in unison; sentence prayers, opened by Mrs. Malcolm E. Hess and closed by Mrs. Lippy. Miss Jane Wantz and Miss Louise Grotz spoke on the West Penn Conference vocational tour for senior girls, whose expenses were paid by the class. Mrs. Joseph Selby, secretary, and Mrs. Yingling, treasurer, gave their reports. The guest package, contributed by Mrs. Yingling, was received by Mrs. Selby. During the social hour, refreshments were served by the hostess. The next meeting of the class will be held Tuesday, June 27, at the home of Mrs. George Trump, near town. Mrs. Trump and Mrs. Selby will be hostesses and a spider web social will be featured.

A chicken dinner was served to the Young Men's Class of St. John's Lutheran Church by the Ever Willing Class on Monday evening in the church social hall. Theron Bair was toastmaster, and prayer was offered by the Rev. William C. Karns, pastor. The guest speaker for the occasion was the Rev. Dr. Paul L. Foulk, former pastor of St. Paul's Lutheran Church, Hanover. He spoke to the group on the subject "The Christian Home." Remarks were heard from Paul E. King, teacher of the class, and the Rev. Mr. Karns. There was group singing, led by Sterling J. Wisotzky, with Mrs. Ruth Streig at the piano.

The Ladies' Aid Society of St. John's Church will meet at 8 p.m. on Thursday at the home of Mrs. Lloyd Spangler, near town. The hostesses will be Mrs. Henry Barnes, Mrs. Ralph Wantz and Mrs. Dale W. Stary.

LEGION WOMEN TO MEET
Ocker-Snyder Post No. 321, American Legion, will hold its semi-monthly meeting on Thursday at 8 p.m. at the post home, E. King St. The members of the ceremonial detail will gather at 7 o'clock Thursday evening at the post home to practice for participation in the community Memorial Day parade and service on Monday, May 29.

Legionnaires of Ocker-Snyder Post and members of Mason and Dixon Memorial Post No. 6954, Veterans of Foreign Wars will leave from the Legion Home at 6:30 p.m. on Friday to place flags on the graves of veterans, in preparation for Memorial Day.

TAKING ORDERS

Members and friends of the Junior Woman's Club of Littlestown are invited to place orders for plastic ware, which was demonstrated at the May meeting, with Mrs. Dale Moore, Prince St., on or before May 29. Payment for the items ordered must be received by Mrs. Moore by June 10. The orders will be delivered at the next meeting of the club on June 14 at the home of Mrs. Richard N. Greenholt, E. King St.

The Junior Woman's Club will sponsor a food sale on Friday at 4 p.m. in the Alpha Engine House. Donations should be taken to the engine house between 2 and 4 o'clock. Arrangements are in charge of the fol-

DILWORTH IS BACK ON JOB; HEADS INQUIRY

PHILADELPHIA (AP)—Mayor Richardson Dilworth today fired three key city officials, including the municipal treasurer, as he plunged into the task of cleaning up the Frankford Elevated payola scandal.

Dismissed for allegedly accepting \$650 in cash from contractor Eli G. Travis, who work on the elevated line is under investigation were George DiLauro, city treasurer; George O'Gorman, deputy procurement commissioner, and Milton Wasserman, assistant chief of the accounting division of the finance department.

PHILADELPHIA (AP)—Mayor Richardson Dilworth returned to his city hall office today pledged not only to pursue the Frankford Elevated payola scandal, but to conduct a thorough investigation of all city departments.

Dilworth returned from London Tuesday, cutting short a round-the-world vacation trip, to come home and take charge of the inquiry into the financial scandal that has rocked his reform administration.

In brief, three former city employees, an ex-vice president of the Philadelphia Transportation Co., and a contractor are charged with conspiracy to defraud the city in repairs to the Frankford Elevated line, the line is owned by the city and operated by the PTC.

Dilworth said upon his return that any public servant found accepting cash gifts would be fired. In the elevated case the three city employees and the PTC executive are charged with taking cash gifts from the contractor for help in getting city contracts.

The mayor said he would order city commissioners to look thoroughly into their departments. He said he would be "amazed" if corruption existed in other city departments as disclosures have indicated it existed in the finance, procurement and public property departments.

In other developments of the mushrooming scandal, the PTC named a top-level three-man committee to conduct an investigation of alleged overcharges by the transit firm to the city. The action was taken after David Berger, city solicitor, informed the PTC board of directors that the city had been "grievously defrauded and cheated" in extensive repairs to the elevated system.

MARKETS WHITE HOUSE IS LINKED TO CUBAN BARTER

WASHINGTON (AP)—President Kennedy was reported today to have taken a personal hand in the behind-the-scenes maneuvers which led to the creation of the "Tractors for Freedom" committee to free captured Cuban invaders.

Authoritative sources said Kennedy was deeply interested in securing freedom for the anti-Castro prisoners if possible.

The three leading figures on the committee—Walter Reuther, Eleanor Roosevelt and Dr. Milton Eisenhower—have refused to confirm or deny they had been in contact with Kennedy. But Reuther reported a "green light" from unspecified Washington officials.

LINK WHITE HOUSE
While various departments maintained an official hands-off position, Kennedy's encouragement was seen in a variety of indirect aids from different federal agencies that indicated White House backing.

A Coast Guard plane provided transport for prisoner representatives.

The State Department made plain it would waive the Cuban embargo to let the tractors through.

On the other hand, House Speaker Sam Rayburn of Texas said Kennedy told congressional leaders at a White House conference Tuesday that the government "is out of it and is going to stay out."

Forecast
Extended forecasts for Thursday, May 25, through Monday, May 29:

Eastern Pennsylvania, southeastern New York, New Jersey—Temperatures are expected to average 2 to 6 degrees below normal. Cool most of the period but some warming about the first of the week. Precipitation is expected to total one tenth of an inch or less most places and several tenths of an inch in southern Jersey and southeastern Pennsylvania in northern section early Thursday and the entire area towards the end of the period.

Middle Atlantic States—Temperatures will average 5 degrees below normal. Turning cooler Thursday and Friday and somewhat warmer Sunday or Monday. Rainfall will average ¼ to ½ inch over the weekend.

Western Pennsylvania—Temperatures will average 2 to 5 degrees below normal. Turning cooler Thursday afternoon or night, then warmer Sunday and Monday. Precipitation will average ¼ to ½ inch as a few showers Thursday and showers or thundershowers about Monday.

Americans bought more new books last year than were owned by all mankind before the 20th century. Book publishers spent nearly \$10 million in newspaper advertising in 1958 to whet the literary appetites of the public.

NEW INDUSTRY STUDIED
KETCHIKAN, Alaska (AP)—Tanner crabs, hitherto not taken commercially in Alaska waters because the big king crabs are more desirable, are being studied as a possible new industry.

James Pinkerton, manager of Ketchikan Cold Storage, said laboratory work is under way on how best to extract the meat cheaply and package an attractive product.

The smaller tanner crabs are very numerous and some have been processed in Japan. Some experts say they are "delicious," but the high labor cost in preparing them is a barrier.

Laos, known as the "land of the million elephants," shares 1,000 miles of frontier with Red China and North Viet Nam. The country won independence from France in 1953.

Warriors Blanked 15-0 In Final Game Tuesday At Boiling Springs

Gettysburg High School closed out its 1961 baseball schedule by absorbing its worst defeat of the season 15-0 at the hands of Boiling Springs Tuesday afternoon on the Bubbler's diamond.

The loss left Coach Don Young's Warriors with an overall 5-6 record.

Ron Cornman, Bubbler hurler, went the route and set the Warriors down with but two hits, singles by Tom Duane in the third inning and by Greg Maitland in the fourth.

ERRORS COSTLY

Nine errors were charged to Gettysburg and most played an important role in the Bubbler's victory.

Boiling Springs wrapped up the outcome in the first inning by tabbing seven runs on four hits, two walks and a pair of errors. Duane relieved starter Larry Eckert on the mound for Gettysburg during the uprising.

The Warriors defense collapsed completely in the third inning when no less than five errors led to a trio of Bubbler runs.

In the fifth Boiling Springs scored twice without benefit of a hit and three more tallies came in the sixth on four safeties, a walk and two hit batters.

PIAA MEET IS SET FOR PSU ON SATURDAY

UNIVERSITY PARK, Pa. — One hundred eighty-four high schools will be represented in the PIAA Class A and B track and field championships to be staged at Pennsylvania State University on Saturday. A total of 711 athletes will compete.

District One, paced by Haverford's 13 points and Norristown's 12, won the Class A title in 1960. Columbia (23 points) and Cornwall (15) led District Three to the Class B crown.

Two Class A running-event champions will be on hand to defend titles they won last year. They are Don Webster, Kennett Consolidated, who won the 220-yd. dash and the quarter-mile, and Tom Bedick, Moon Twp., the half-mile winner.

Webster looms as one of the stars in the meet. He won the quarter-mile in 49.4 seconds and the 220 in 22.1 seconds on a muddy track last year. He posted a quarter-mile time of 48.1 seconds and a 220 time of 21.0 in this year's District One championships. The Class A state record in the quarter-mile is 48.5, set by Bob Raemore in 1958. The 220 mark of 21.3 was set by Art Pollard in 1951. Webster also won the District One 100-yd. dash in 9.7, but he will bypass that event in the PIAA meet.

Bedick was clocked in 2:02.5 in winning the 880 last year on a slow track. He ran a 1:59.2 in this year's District Seven meet.

THREAT IN SHOT-PUT

Howard Goldsworthy, Ridley Twp., will defend the shot-put title he won last year with a heave of 56'5/4". He did 57'4 1/4" in the District One championships and the state record is 57'4" set by Tom Urbanik in 1959.

Dick Hart, Morrisville, heads the list of returning champions in the Class B division. He set a shot-put record of 57'10" last year title with a toss of 62 feet. He and won this year's District One placed second in the discus event last year.

Duane Ely, Mt. View, will defend his high jump championship. He jumped 5'8" last year and won this year's District Twelve title with a leap of 5'10".

CLASS B DEFENDERS

In Class B running events, Bill Clark of Camp Hill will defend his 100-yard dash title, and Joe Pascale will defend his 180-low hurdles crown. Clark won the 100 in 10.6 seconds last year and posted a 10.1 in this year's District Three meet. Pascale was clocked in 21.8 seconds in 1960.

but he did 19.7 in the District One championships, which is one-tenth of a second off the state record set in 1957 by Dan Maloney.

Scotland High School will defend the half-mile relay championship it won in 1960, although Dick Fochler is the only returnee from that team. He ran the third leg.

India and China are the world's largest producers of peanuts. Another major grower is Nigeria, where peanut soup and flour serve as staples.

Bill White was 4-for-5 and drove in five runs, two with a first-inning home run off loser Sam Jones (3-3), as the Cardinals banged 15 hits and ran up their biggest scoring total of the season. Don Taussig also hit a two-run homer in support of Ray Saadeck (3-3), who breezed in with a 12-hit job. Harvey Kuenn and Orlando Cepeda homered for San Francisco.

The Braves scored in the first inning on a triple by Frank Bolling and a single by Ed Mathews, then managed just two more hits off loser Bobby Shantz (1-1), making his first start in two seasons, and reliever Elroy Face.

A single by Charlie Smith and a two-out triple by Bob Mathews broke it up for the Phils against Glen Hobbie (2-5).

Big Little League Opens This Evening

Gettysburg's five-team Big Little League will inaugurate its 1961 season tonight at 6 o'clock when the American Legion opposes the Eagles on the field at the recreation park.

The first ball will be tossed out by Burgess Wilbur L. Plank.

Games during the league season will be played each Monday, Wednesday and Friday.

SEARS FILES SUIT AGAINST KNICKS, NBA

SAN FRANCISCO (AP)—Veteran pro basketball star Kenny Sears filed a suit Tuesday that could lead to the first court test of the option clause used in many professional sports contracts.

In the suit, filed against his old team, the New York Knickerbockers, Sears charged that the National Basketball Association and its teams "agreed not to compete for the service of players, agreed to regulate and limit salaries, and agreed to blacklist players who refused to play for the teams by which they had been selected (drafted)."

Sears, 28, a 6-foot-9 sharpshooter and rebounder, jumped the Knicks earlier this year and signed with the San Francisco Saints of the new American Basketball League.

ASK \$90,000 DAMAGE

The Knicks sued to keep Sears. His counter-suit in U.S. District Court here charged the Knickerbockers with monopoly and violation of antitrust acts. He asked \$90,000 treble damages from the Graham-Paige Corp., of Michigan, owners of the New York NBA team.

The Sears suit drew the legal battle lines between the established NBA and the fledgling ABL, scheduled to begin play next season.

In his suit, Sears claimed he had not been free to negotiate with potential employers the past four years and that this had cost him \$30,000. Under provisions of the Sherman and Clayton antitrust acts, Sears is seeking treble damages.

FIRST 3 TEAMS ARE BEATEN IN SENIOR LEAGUE

By ED WILKS
Associated Press Sports Writer

Rookie Ken Hunt and reliever Bill Henry of the Cincinnati Reds combined for a five-hit, 2-0 victory over Los Angeles Tuesday night that ended the second place Dodgers' winning streak at five games. First place San Francisco retained a .013 percentage point edge despite a 12-4 walloping by St. Louis.

Milwaukee beat third place Pittsburgh 1-0 behind the four-hit pitching of Lew Burdette, and Philadelphia defeated the Chicago Cubs 2-1 in 10 innings.

Hunt, 22, a 6-foot-4, 210-pounder who wasn't on the Reds' spring roster, has beaten the Giants, Pittsburgh and now the Dodgers in a 4-2 record and is 3-1 in the Reds' comeback. Henry, the old man of the staff at 33, has four wins in the same spot.

The Dodgers, who had won eight in a row on the road, got all five hits off Hunt. The youngster struck out six, but also walked six, bringing on Henry in the eighth for a perfect 1 1/2-inning mopup.

The Reds beat Los Angeles for the first time in five tries by bunching three of their seven hits for two runs in the sixth off Don Drysdale (3-3). Gus Bell's sacrifice fly and a single by Gordie Coleman brought them across after singles by Don Blasingame and Vada Pinson and a walk had loaded the bases.

Bill White was 4-for-5 and drove in five runs, two with a first-inning home run off loser Sam Jones (3-3), as the Cardinals banged 15 hits and ran up their biggest scoring total of the season. Don Taussig also hit a two-run homer in support of Ray Saadeck (3-3), who breezed in with a 12-hit job. Harvey Kuenn and Orlando Cepeda homered for San Francisco.

The Braves scored in the first inning on a triple by Frank Bolling and a single by Ed Mathews, then managed just two more hits off loser Bobby Shantz (1-1), making his first start in two seasons, and reliever Elroy Face.

Sheppard Disagrees With Governor On Racing Issue

By HERB LINNEN
HARRISBURG (AP) — The

chairman of Pennsylvania's Harness Racing Commission today disagreed with Gov. Lawrence on the question of how speedily the agency should act on pari-mutuel track applications.

"The people who have spent time and money making applications for licenses in all fairness are entitled to some kind of decision as soon as possible," Lawrence B. Sheppard told a newsman.

Sheppard added that a stalemate existing within the three-man commission "is accomplishing no good for anyone," adding:

"My obstinacy is based only on one thing—I will not tolerate a monopoly and that's what we will have if there is only one track in Philadelphia."

Lawrence, at his new conference Tuesday, was asked whether he was satisfied with the commission's operations so far.

"Well, I don't know whether I am satisfied or not," he replied. "That was the first time Lawrence has given any indication that he might be unhappy about the commission's squabbles."

He added quickly that he didn't intend to interfere in the agency's affairs, saying:

"I want them to operate themselves. I feel that there are three competent people there to handle it. I am sure that they will, in the end, do the right thing."

POLITICAL SQUABBLE
A newsman pointed out that Sheppard, a Republican, and commissioners Edward Kane of Newton Square and Martin Cusick of Sharpville, both Democrats, haven't been able to agree on handing out additional licenses.

"Is there any great rush on it?" the governor shot back. "Are there people crying for race tracks? If they are crying I haven't heard it."

Sheppard said Lawrence was entitled to his view but added he couldn't agree that prompt action isn't needed.

He maintained that unless licenses are issued soon, groups would be unable to set up tracks in time for the 1962 season.

The commission has issued only one license so far and that was handed out over Sheppard's objections. It went to James P. Clark of Philadelphia, a sportsman, trucking executive and the city's Democratic finance chairman.

OTHER DEVELOPMENTS
The action sparked Republican charges that the commission was influenced by Clark's status as a Democratic party official.

Other news conference developments:
Philadelphia Probe — Asked whether Democratic Mayor Richardson Dilworth's chances of getting nominated for governor might be affected by scandals involving Philadelphia city employees, Lawrence replied:

"I don't know why it should. The city administration down there, through the Democratic officials, have unearthed it, and they are cleaning it up. None of them are officials of the Democratic party."

Legislation — The governor said with emphasis the legislature should stay in session without recessing to clean up unfinished business such as congressional and legislative reapportionment and educational legislation.

Air Pollution — He said he would soon name members to eight regional air pollution agencies which will work with the state commission in enforcing the 1959 law.

CO-MEDALISTS IN 1ST ROUND DIFFICULTIES
ASHEVILLE, N.C. (AP) — Co-medalists Mrs. Scott Probasco Jr., and Mary Patton Janssen had first round troubles and faced even stiffer tests today in the second round of the Southern Amateur Golf Tournament at Biltmore Forest Country Club.

Meanwhile, defending champion Judy Ellier, Sherry Wheeler, Mary Mills, Marge Burns and Polly Riley all shaped up as foremost contenders.

Mrs. Probasco, Chattanooga, Tenn., faced Mary Mills of Gulfport, Miss.

Mrs. Probasco squeezed by Mrs. Mary McGarry 2-up in her first round match Tuesday.

Miss Mills, Miss Eller and Miss Wheeler were the top first day shooters over the par 75 course. Each was one under par.

UPPER BRACKETS
The Probasco-Mills match started today's schedule of eight contests. Rounding out the upper bracket were these matches:

Mrs. Maurice Glick, Baltimore, vs. Barbara Stark, Asheville; Polly Riley, Fort Worth, Tex., vs. Mrs. J.H. Henderson, Alexandria, La.; Maureen Crum, Plant City, Fla., vs. Mrs. A.T. Higgins, New Orleans.

Miss Janssen, who beat Kathy Wylie of Richmond, Ky., 4 and 3, met Mrs. Gaines Wilson of Louisville 12 and 8 winner over Mrs. Hugh Hayes of Tampa, Fla.

Sherry Wheeler of Glasgow, Ky., met Mrs. Samuel Upchurch of Birmingham, Ala.

Miss Eller, of Old Hickory, Tenn., faced Mrs. Leo Manley of Asheville.

A WORMY OPINION

BOISE, Idaho (AP) — An early worm hunter has gotten the legal bird from the state attorney general's office.

T. A. Leach, of Orofino, Idaho, wrote that he wanted to know if "an adult taxpayer" needed a permit to gather fishing worms

from school grounds.

An involved reply from Asst. Atty. Gen. Frank Langley quoted an Idaho statute which says: "Every person who wilfully commits any trespass by maliciously injuring or severing from the freehold of another, anything attached thereto, or the produce

thereof, is guilty of a misdemeanor."

Langley advised Leach that if he likes to look for worms at the schoolhouse, he'd better get the school board's permission to hunt.

WASHINGTON (AP) — President Kennedy's only public statement so far on the Alabama race riots gave the attorney general, Robert Kennedy, sweeping power to "take all necessary steps" to

handle the situation.

But, for the first time in American history the attorney general happens to be the President's brother. Robert Kennedy has kept the President informed of every step taken.

Thus President Kennedy, more than might ordinarily be the case with some other chief executive and his attorney general, must bear responsibility for what his attorney general does.

So, if Southern Democrats in Congress or Southern politicians in general get sore at Robert Kennedy, they must get equally

peevish at the President.

Nevertheless the President—by letting his brother do most of the talking and being fairly mild himself in his only statement—avoids angering Southerners in the way he might if he were more personally and publicly emphatic.

He has intervened directly, but quietly. For instance, in telephoning Alabama officials.

Still, the question he faces—whether or not to speak out more forcefully—is both psychological and political.

Many persons felt in 1957 that if President Dwight D. Eisenhower had spoken out more forcefully the Little Rock school riots might have been avoided.

On July 17 that year he told a news conference:

"I can't imagine any set of circumstances that would ever induce me to send federal troops into any area to enforce orders of a federal court, because I believe that common sense of America will never require it."

But a federal court had ordered integration of a Little Rock school and, within six weeks after Eisenhower deplored the thought of using troops, Gov. Orval Faubus called out the Arkansas National Guard to block integration.

SYNTHETIC HORMONES OFFER HOPE

By THE ASSOCIATED PRESS
Hormones and hearts, a diagnostic test in burns, and dangers from human bites figure in the medical news.

HORMONE PROTECTION?
A new synthetic male sex hormone apparently can reduce the amount of cholesterol and other fats circulating in the blood, a physician reports. Whether this actually reduces the risk of having a heart attack is not yet proven.

But it provides an interesting possible new approach toward preventing heart attacks, says Dr. Donald Berkowitz of Philadelphia.

Don Faurot, director of athletics at Missouri, and the late Charlie Caldwell, who coached at Princeton and Williams were the coaches named.

Halfback George McAtee of Duke, fullback Claude Reeds of Oklahoma and back Pat Pazzetti of Lehigh, also were elected.

The selections were announced Tuesday by the Honors Court of the foundation after nominations and voting by the entire membership of the Hall of Fame.

Red Blaik, former Army coach, is the chairman of the 12-man Honors Court.

The synthetic hormone, oxmetholone, is only half as masculinizing as the natural male sex hormone. So, Dr. Berkowitz wondered whether it might protect men against blood fats and artery clogging much like the female sex hormone is believed to do for women. The hunch appears correct, he says, and maybe this or other hormones can point the way toward greater protection.

BURN TEST
The 5-year-old girl was badly burned, with burns covering half her body. Doctors used a standard test—injecting a blue dye—to determine how much blood she had lost. But the test also told them something new—which areas of skin were so badly burned that they would not recover later, and so had to be covered with skin grafts. The blue color spread to body areas which had not lost all skin covering. The finding is expected to prove valuable in caring for burn victims, says Dr. Dicran Goulian Jr. of New York Hospital-Cornell Medical Center.

MAN BITES MAN
Man's bite can be more dangerous than a dog's. For human bites are very likely to cause serious infections, particularly on the face, and particularly if neglected, report two University of Illinois Medical School physicians. Adolescents and young adults are likely to use their teeth when involved in brawls. Such bites need quick attention to prevent or control infection, and plastic repair if necessary, said Drs. John W. Curtin and Paul W. Greeley.

Says Some Companies May Have To Sell Other Stock After High Court Decision

By SAM DAWSON
AP Business News Analyst

NEW YORK (AP)—Many companies own blocks of common stock of other corporations. Some of these portfolios may get a closer scrutiny of corporate lawyers in the wake of the Supreme Court decision that Du Pont must divest itself of its 63 million General Motors shares.

But the vast majority of stock holdings by other firms probably won't come under the antitrust decision. This frowns on such ownership if the court finds a reasonable likelihood that restraint of commerce or creation of a monopoly might result.

TO GAIN CONTROL

Corporate treasurers insist that in almost all instances such holdings are for other reasons.

Some buying of stocks in other companies is frankly to gain control of them. In only a comparatively few cases has this been held to result in the monopoly or restraint of trade which the antitrust laws forbid.

Other stocks have been acquired as payment when one company buys a part of the assets of a subsidiary company of another. Most of the hundreds of corporate portfolios that contain other companies' shares hold them for investment reasons primarily.

The corporate treasurer has cash on hand and sees a greater return from common stocks than from buying government securities or other forms of savings. So he buys some stocks.

IN SAME FIELDS

Often these are in firms in the

Racial Troubles Flare At Savannah

SAVANNAH, Ga. (AP)—Open warfare over use of city park playground facilities has resulted in the arrest of several participants.

A baseball diamond was the battleground Tuesday night as some 20 Negro and white youths fought with fists and knives. One white youth, identified as Jimmy Martin, 21, received a minor knife wound before police broke up the disturbance and arrested several of the battlers.

The officers said the trouble apparently began when the Negroes sought to use the ball park formerly reserved for white persons.

same field as his own company. Many times long held stocks are in corporations that supply or buy from the holding firm. Sometimes the shares are just good buys in entirely unrelated fields.

For example, one of Du Pont's chemical rivals owns shares in a synthetic textile firm, a steel company and two glass makers.

As a different kind of example, a mining and shipping firm holds sizable blocks of stock in steel, coal mining and petroleum companies.

And for a third example, a utility company holds shares in a textile company.

DISTRIBUTE THEN LATER

Some companies that got shares of another as payment for a business deal distribute them later. As an example, Indiana Standard Oil from time to time for several years has been handing out to its shareholders as dividend payments in Jersey Standard Oil it got a long time ago.

Some of the big holdings in other firms have been acquired since World War II as part of the trend to diversification. In some cases, the purchasing company has acquired all or a majority of the stock of a firm in a different field. Sometimes it has bought only sizable percentages.

In both cases the idea was that if the original company's business turns sour temporarily, its holdings in other fields may well be bringing in pleasant returns on the investment, making the buyer's over-all financial picture better than it might have been.

Steelworkers were safer on the job than ever before in 1960, says the American Iron and Steel Institute. The number of lost time injuries per million man hours worked came to a record low of 3.14, down 10 per cent from the 3.51 rate of 1959.

America's best customers for exports are Canada and Japan, in that order.

SENATE READY FOR ACTION ON \$15 MILLIONS

HARRISBURG (AP)—The Senate was ready to act today on a series of bills allocating more than \$15 million for state and municipal government operations.

Top money measure was a House-approved appropriation to provide \$3,251,866 to communities to help them pay the cost of sewage plants built under the terms of the state's clean streams law.

The appropriation would allow reimbursement for up to 2 per cent of the cost of plants. Actually, communities in the past have received less than the limit. The funds, linked to a federal allocation, are prorated to eligible municipalities on a priority basis.

EXPECT PASSAGE

Another bill in the package would provide \$700,000 to the Department of Military Affairs for veterans assistance.

Most of the funds involved in the remaining bills are already in state accounts. They would be shifted to the budgets of other agencies in a procedure aimed at keeping state books in order.

Lawmakers of both parties were confident the measures would pass without dispute.

Action on the money bills would clear the Senate docket of spending measures, pending House action on a big backlog of appropriations bills, including such things as state aid to homes, hospitals and universities.

GA BILL PASSES

The Senate gave unanimous approval Tuesday to the major spending bill facing the legislature—the \$907 million General Appropriations Bill.

Though only 18 senators were in their seats, the official vote on the measure was 50-0. It went to Gov. Lawrence, who is expected to approve it soon. The measure would provide funds for day-to-day operations of most state agencies.

House and Senate joined Tuesday in speedy action on a bill providing \$75,000 to pay senators \$1,500 in expenses authorized under a new law.

The Senate passed the bill unanimously Tuesday afternoon. Twenty minutes later it was referred to the House Rules Committee, headed by Rep. Stephen McCann, Democratic floor leader. The bill was sent to the floor for action. It is expected to win speedy House approval.

Lobbyists—The House State Government Committee sent to the floor an administration-backed bill regulating the activities of lobbyists. It was not amended.

The committee vote on the bill was 10-4, said Chairman Herbert Fineman, D-Philadelphia. The measure had been in his committee since Jan. 31.

It would require all persons or organizations working to influence legislation to register with the legislative officers and report all contributions received and expenditures made. Similar proposals in other legislatures have failed.

Delaware River Compact—A proposed compact for long-range development of water resources of the Delaware River got preliminary approval from the Senate Forestry and Waters Committee.

The plan would allow Pennsylvania to join with New Jersey, New York, Delaware and the federal government in developing the river basin over the next 50 years.

School Reorganization—A broad plan for reorganizing and reducing the number of Pennsylvania school districts was included in a bill introduced in the Senate.

The proposal stemmed from recommendations of Gov. Lawrence's Committee on Education. The state's present 2,400 school districts would be reduced to 500 or 600 districts with a minimum student population of 5,000.

The bill had bipartisan backing in the past major school district

reorganization proposals have been defeated in the legislature.

Labor—The House approved, 116-83, on a cross-party line vote a bill outlawing the use of professional strike breakers in labor disputes. It goes to the Senate.

Baseball—On a 109-89 vote the House passed a long-delayed bill allowing beer to be sold at professional baseball games in Philadelphia. The measure is aimed at allowing beer to be sold only at games of the Philadelphia Phillies. The measure was forwarded to the Senate.

For three years after Cuba threw off Spanish rule in 1898, the island was ruled by the U. S. War Department.

June Allyson OK After Operation

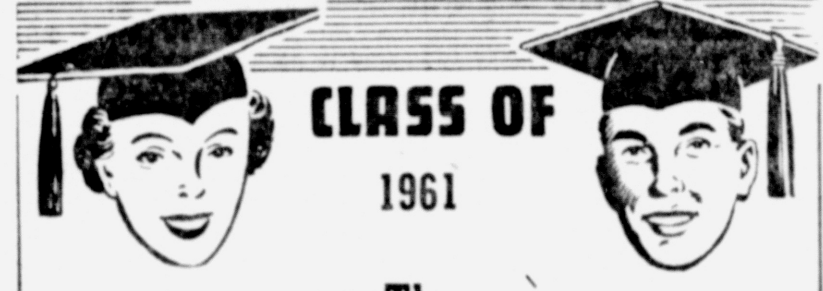

SANTA MONICA, Calif. (AP)—Actress June Allyson is recovering from her second throat operation within a month.

Her physician said her condition was fine after Tuesday's surgery, and added: "It was just what we expected, a polyp. Everything went well and she'll be out in a couple of days—whenever she wants to leave."

Miss Allyson, who was divorced Jan. 31 from TV actor-producer Dick Powell, underwent a similar operation April 27.

PINOCCHIO'S HOMETOWN TO BE A REALITY

ROME (AP) — The little hometown of Pinocchio, the puppet, is going to turn into reality the fabled inn of The Red Shrimp and the Land of Toys that have

delighted children throughout the world.

Linked to the project will be an international sketch competition for children between the ages of 10 and 14. The winner will get a free trip to the village of the little wooden boy whose nose grew longer every time he told a lie.

Pinocchio was created by Carlo Lorenzini, an Italian newspaperman who wrote the fable under the pen name of Collodi — his little home village near Pescia in Tuscany.

Ten years ago the village organized a committee to put up a statue of the well-loved puppet in a little park dedicated to the author.

TOURIST ATTRACTION
The monument was completed in 1956. It became a tourist attraction. So the Collodi committee raised 300,000 dollars more to expand the original park and create an entire "Paese Dei Balocchi" — Pinocchio's land of toys.

There will be dozens of characters out of the Pinocchio fable, built with moving parts, to represent various episodes of the puppet's sad experiences before turning into a real boy.

The committee announced an international competition for children to send in designs depicting Pinocchio or his adventures. Only two entries will be accepted from each child. Ages must be from 10 to 14. Designs must be 35 by 40 centimeters — 15 by 18 inches. The committee will award a reproduction of Pinocchio to the 10 best designs from each country. The overall winner, with the title "Pinocchio of 1961" will get a 10-day free trip to the village of Collodi.

EICHMANN IS ACCUSED OF LIDICE DEATHS

By THOMAS A. REEDY
JERUSALEM (AP) — Adolf Eichmann was charged today with the murder of the children of Lidice.

The Israeli prosecution presented documents blazng a trail from the famous village in Czechoslovakia to Eichmann's door in the Berlin office of the Gestapo.

The evidence retold how Czech patriots killed Reinhard Heydrich, the Nazi security police chief, near Lidice on June 4, 1942, and how the Nazis in reprisal razed the town, plowed it over and transported the population to death camps.

CHILDREN SCATTERED
One document showed Eichmann was in Prague at the time Gestapo files disclosed that 88 Lidice children, orphaned by the firing squads, were sent to Lodz. Seven of them were described as "fit for Germanization" and they were scattered through Germany in foster homes. The remaining 81 vanished without a trace and undoubtedly died in one of the Polish murder mills.

The most telling file contained a letter from SS Lt. Col. Hermann Krumey at Lodz to Eichmann's office in Berlin requesting advice on what to do with the 81 "unfit" children.

The answer was "special treatment," which in Eichmann's office for Jewish affairs meant the gas chambers of Auschwitz.

Littlestown PUSHING PLANS ON COMMUNITY CENTER WORK

Since several organizations are clamoring for a meeting place, such as the Boy Scouts, Girl Scouts and Cubs and with the need to reopen the local library for summer reading, plans are being hurried along for the renovating of the former E. King St. school building to make it available for these purposes and many more as a community center.

Several hundred dollars have already been received, and anyone desiring to make their contribution before the planned house to house solicitation on June 12 may give or send it to the Rev. William R. Jones, Centenary Methodist parsonage, E. King St. If a donation is made by check, it should be payable to the Littlestown Community Center Fund, and should be noted as tax deductible. All funds will be given to the treasurer of the borough council to be deposited in the name of the Littlestown Community Center, and the funds will be spent only with renovations described below, which are in accordance with state regulations.

Estimates include ceilings of rooms containing toilets to be fireproofed in the basement, \$432; remainder of ceilings to be covered with 5/8-inch gypsum wall board, \$604; new exit for one boiler room, \$150; closing office under stairs against further use, \$25; emergency lighting plant, to include wiring, plant and room, \$2,500; on the first floor, two sets of double doors with checks, closed over top, \$500; toilets constructed on main floor, \$1,000; removal of partition in rear rooms on north side, finish floors, \$350, and on the second floor two sets of doors, \$500; total \$6,061. It is hoped to reach a goal of \$10,000 to do the remaining wiring and light corrections, paint and other minor repairs.

There have been mistaken rumors that the community center will be under borough council jurisdiction. There will be a borough meeting room. But arrangements for all other organization meetings, special or regular, can be had by contacting the chairman of the arrangements committee, yet to be named. And as a community center, it will be available for any and all community projects.

CHARTER CEREMONY
The officials and den mothers of Littlestown Cub Pack No. 84 met on Monday evening at the home of Mrs. Doris Barnhart, near town. Plans were furthered for the charter presentation and awards ceremony on Sunday at 2 p.m. on Memorial Field. There will also be induction of new Cubs at this affair. The Shoshonean Indian dancers, of York, will perform. The community residents are invited to attend.

An invitation was accepted for

the Cub Scouts to participate in the community Memorial Day observance on Monday. The boys in uniform, will gather at 6:30 p.m. in the vicinity of the high school building to march in the parade.

Plans were discussed to have the annual fishing contest for Cub Scouts and their fathers on Saturday, June 24. The group will gather at 10 a.m. in the rear of the engine house, and will then hike to a pond near town, and return about 4 p.m. Each should take with him a box lunch, drinking water and fishing tackle. Prizes will be given for the first fish caught, the most fish and the biggest fish.

HIKE AND DERBY

The annual overnight hike will take place this year on Friday, July 21. The boys will meet at 6 p.m. in the rear of the engine house and then hike to the Littlestown Fish and Game Farm, near town. Each Cub will take his mess kit and a bedroll. Breakfast will be served on Saturday morning and the group will return to town about 10 a.m.

A soap box derby will be held on Sunday, July 30, at 2 p.m. at a place to be announced. Regulations for derby vehicles include: Four wheels required; not to be over 10 inches in diameter; no inflated wheels, and the vehicle must have a steering wheel. The Cubs will compete by dens, and the winners of each will receive a prize and they will then race for the grand trophy.

There was a discussion on the annual Red Cross swimming instructions. The dates, place, etc., will be announced later. A

tionation of \$5 was voted to the memorial tribute fund. The next planning session will be held on Monday, August 28, at the home of Mrs. Luther W. Ritter, Glenwyn drive.

At the conclusion of business, refreshments were served by Mrs. Barnhart to Cubmaster Alvah L. Stonesifer Jr., Pack Committeemen Leslie Shinham and Richard D. Thomas, den mothers, Mrs. Margaret Ritter, Mrs. Doris Morgret, Mrs. Janice Myes, Mrs. Jeanne Bowers, Mrs. Margaret Bowman and Mrs. Phyllis Waltz.

VICTIM STRIKES BACK

NIAGARA FALLS (AP) — Robert Pieroni isn't a man to take a joke lying down.

Friends began playing pranks on Pieroni after he bought a small sports car. They put it in a used car lot with a "for sale" sign on it. Then they drove it into a restaurant. Finally they hoisted the car 30 feet onto the roof of another restaurant.

Pieroni decided to play his own prank. He arranged with a friend, City Court Judge Francis L. Giles, to have his joking friends subpoenaed. After hearing the evidence, Giles gravely announced: "Case is adjourned to the restaurant where the car is. We'll have lunch on these practical jokes and figure out a way to get the car down."

Liberia's position as an African nation is unique in that it is the only country in Africa's 12 million square miles that has never been dominated by a European colonial power.

RR AILMENTS PORTRAYED ON TV PROGRAM

NEW YORK (AP)—Strange and frightening ailments are afflicting that once proud and glamorous industry, railroading.

NBC's final "White Paper" of the season took a look at our faltering rail systems Tuesday night. It summed up the gloomy picture with some shots of rotting ties, rusting rails and defensive railroad presidents pleading for equal treatment with rival forms of transportation while raising the specter of socialism in a nationalization of the industry.

But the public's shifting attitude toward rail travel was even more dramatically sketched in three short vignettes.

SHIFT OF SUCCESS

One was a turn of the century film clip, showing excited, elegantly attired men, women and children dining in luxury aboard the plush 20th Century as it roared through the countryside. Then the scene shifted to today—a group of disconsolate, bored people in the train's club car.

"I'm on this thing," said one man disdainfully, "because I couldn't get a flight to Chicago."

"I've gotten so used to bad conditions," said a New York woman commuter with weary resignation, "that I'll settle for the hot cars in summer, the cold cars in winter and I'll sit on a hard bench, if they will only just get me to work on time."

COMO TONIGHT

The program skipped all over the country, finding delays, breakdowns, poor service, discontinued trains, branch lines and main lines all over the place. The one bright spot in the gloomy picture was the Chicago and Northwestern Railroad out of Chicago, which has modernized its equipment, attracted (rather than discouraged) commuters and has turned a huge deficit into a tiny profit.

The whole situation seemed thoroughly disheartening and, even in summary, narrator Chet Huntley could not come up with much of an answer to the problem. Carrying people on trains just doesn't seem to be profitable.

Recommended tonight: Perry Como Show, NBC, 9-10 (EDT)—with George Gobel and Martha Raye; Circle Theater, CBS, 10-11—"Days of Confusion," a dramatized documentary about current problems young people have in getting into the colleges of their choice.

MOURN DEATH OF JOAN DAVIS

PALM SPRINGS, Calif. (AP)—The entertainment world is mourning Joan Davis, often called "the queen of comedy" whose zany antics and tall-girl acrobatics brought laughter to millions.

Her death of a heart attack Tuesday at 46 ended a spectacular career in virtually all theatrical media—stage, screen, radio and finally television.

Jim Backus, who co-starred in Miss Davis' highly successful TV series, "I Married Joan," wired her family: "The nation has lost a great lady and the foremost feminine talent in her field."

The blonde comedienne was stricken Monday night at her desert home here, where she had lived quietly in semi-retirement. Physicians at an emergency hospital labored in vain to save her life.

MASS ON SATURDAY

The actress' last publicized romance, with realtor Harvey Stock 35, ended in 1959 when she charged her suitor knocked her down during an argument. She was divorced from Serenus Wills in 1947 after 16 years of marriage.

Miss Davis, who began her theatrical career in vaudeville at the age of 7, once was the highest paid woman on radio, ranking only behind Bob Hope and Jack Benny.

As an actress, she portrayed a frustrated, luckless, gawky female. In private life, she was an attractive woman who spoke in a quiet voice and dressed smartly.

Rosary will be recited Friday and Mass will be said Saturday at St. Paul's Church, Los Angeles.

PITTSBURGH (AP)—One of the finest high school wrestlers in Pennsylvania is going to enroll at the University of Pittsburgh.

He is Mike Johnson of Lock Haven High School who never lost a high school wrestling match and was never "taken down" by an opponent.

A number of colleges, including Penn State and several Big Ten schools, reportedly had been after Johnson.

In four straight years, Johnson won the titles for the 96-pound, 103-pound, 112-pound and 120-pound classes.

The only time he lost was two years ago when he tried out for the U. S. team for the Pan-American Games.

Johnson's brother, Dave, was a standout wrestler at Pitt several years ago.

Scribe Asks If Some Stock Market Members Helped Dad And Son In Stock Rigging?

EDITOR'S NOTE—The Securities and Exchange Commission last week announced it will investigate the American Stock Exchange in the wake of charges of price rigging and illegal stock sales by two of its important members. This is the second of four articles summarizing the situation. The author, Frank Cormier, reports financial affairs in Washington for The Associated Press.

By FRANK CORMIER

WASHINGTON (AP)—Did Jerry and Gerard Re enlist any fellow members of the American Stock Exchange as willing helpers in their alleged massive manipulations of that important market?

This is a question which investigators from the Securities and Exchange commission presumably will try to answer as they probe the "rules, policies, practices and procedures" of the exchange, the second largest in New York City and the nation.

SEC lawyers already have stated that some exchange members, wittingly or not, aided the Res by purchasing certain stocks at strategic times. Only one member has been named in this connection, however, and no action has been taken against him.

HAVE BEEN EXPELLED

The Res, father and son, have been expelled from the exchange by the SEC, which held they illegally peddled nearly \$10 million in stocks in rigged markets between 1954 and 1960.

Now the SEC is inspecting the exchange itself to see if it gives investors adequate protection.

Edward T. McCormick, president of the exchange, says the inquiry is welcomed and recent reforms will discourage anyone from trying to imitate the Res. As specialists, the Res were responsible for maintaining fair and orderly trading in about 20 stocks. They conducted the daily auctions in these securities.

According to the SEC brief in the case, the two men prostituted their vital role and did "many millions of dollars of harm to thousands of unsuspecting investors."

USED SEVERAL METHODS

"At least 34 per cent of that volume," according to the brief, "can be traced to exchange members or their wives."

In discussing price rigging, the brief said the Res also used several methods to push up stock prices by "painting the tape"—creating the appearance of trading activity to whet the public appetite.

The brief said they spread rumors that certain stocks were sure to skyrocket. They wined and dined brokers and fed them a side order of hot tips. They had friends and acquaintances make strategic purchases.

Bernard (Toots) Shor, the New York restaurateur, bought 1,000 shares of Thompson-Starrett after Jerry Re touted the stock at a testimonial dinner for Vincent F. Albano Jr., a Republican leader on Manhattan's East Side. Albano bought 10,000.

OTHERS TOOK CUES

Others who took investment cues from Jerry Re included some of his good friends in the baseball world: Chuck Dressen, manager of the Milwaukee Braves and Cookie Lavagetto, manager of the Minnesota Twins.

The brief said the stocks which the Res sold illegally were obtained from corporation officials who, it claimed, wanted to dispose of large blocks without registering them with the SEC, as normally required by law. These officials usually were willing to sell in private deals at prices below those prevailing in the market, the brief added.

The losers, it said, were the many public investors "who had every reason to expect that the exchange market in which they dealt was honest and fair."

Texas Panhandle Offers Motorist Friendliness of the Great Open Spaces, Scenery, History
By EDWARD COLLIER

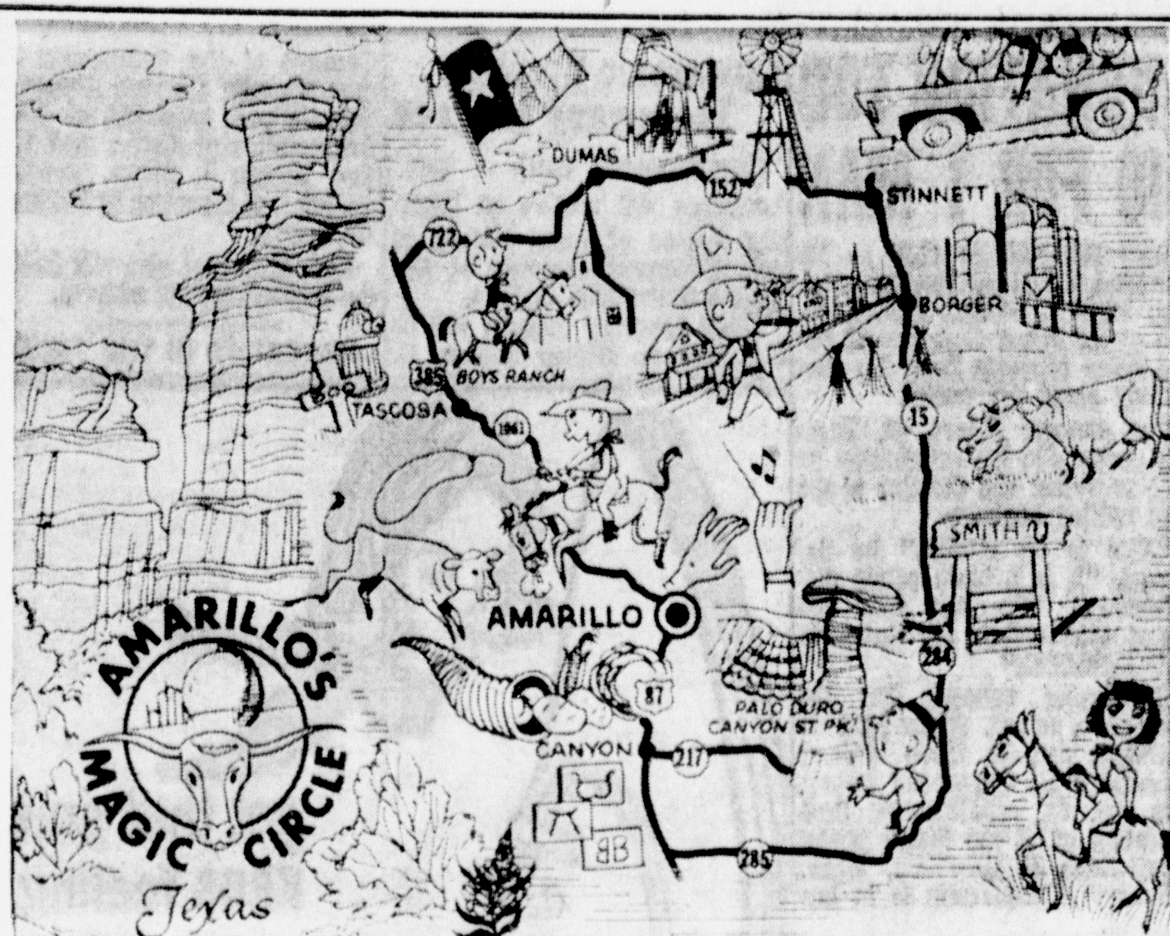

The Texas touch is seldom shy or unabashed. So it's no surprise when they call the vast Panhandle area the "Golden Spread" (a "spread," Son, is a big ranch). Here it's a success story of oil, wheat, rare helium gas and—for good measure—120 miles of panoramic Palo Duro Canyon.

The breezy friendliness of the frontier remains. If you pull up at the side of one of the wide, satin-smooth black-topped "farm roads," the driver of the first car along stops to offer assistance. It's deep-breathing country where white-faced Herefords graze among oil wells and lonely windmills, refineries rise from the prairie-like mirages and nature tints the landscape lavender and orange with spring wildflowers.

Driving down from Denver, we started our Magic Circle tour in Amarillo, metropolis of this area which literally forms a pudgy handle for the map of Texas. A thriving city of commerce and handsome homes, visitors are impressed with the public park system—its scope and the fact that gas is so abundant that it is supplied free for steak grilling. Amarillo, whose economy largely is based on petroleum and manufacturing, also is center of the world's helium production — so vital to the free world in this atomic age.

CATTLEMEN STILL

The era of the fabulous multi-acre ranches has passed, but citizens sentimentally consider themselves cattlemen whether they own a cow or not. The annual

Friendliness of the old west is part of the reward of a Magic Circle tour of the Texas Panhandle, an empire of cattle, oil, wheat, gas and such scenic wonders as vivid Palo Duro Canyon State Park. Presiding over it all is Amarillo, a modern metropolis of commerce whose interests vary from the production of helium to music. Another highlight is Boys Ranch, built on the site of the once rip-roaring Wild West town of Tascosa.

stock show is a "must" for everyone in this tri-state area that also includes Oklahoma and New Mexico.

Amarillo also is the cultural and recreational axis of the Panhandle and almost any weekend the town's elegant motor hostesses fill with visitors who think nothing of driving 200 or 300 miles for shopping, an evening's entertainment, a baseball or football game. There are frequent performances of the near-professional civic ballet featuring guest stars. The Amarillo Symphony is presenting its 36th season of concerts in 1961, a proud accomplishment for the original handful of musicians grown to an organization of 80.

The Magic Circle south (U. S. 87) out of Amarillo is over a superb four-lane highway to Canyon, where irrigation has changed a semi-arid region into a salad

bowl of early-harvested cabbage, tomatoes, peppers, onions, potatoes and lettuce.

PIONEERS HONORED

Pioneers of the southwest are honored at the Panhandle-Plains Historical Museum, located on the campus of West Texas State College in Canyon. The entrance doors, ornamented with a design of branding irons, keynote the fascinating Old West exhibits inside: An authentic chuck wagon equipped with tin dishes and cups, huge iron pots nestled on realistic shallow campfires, a dozen varieties of barbed wire, spurs ranging from fancy silver mounted to homemade leather ones and an extensive gun collection. Among the 100 saddles is a lady's model with a second horn, believed to have been the first of its kind. This outstanding museum, visited by nearly two million in its young life, has other halls devoted to wildlife, primitive man and prehistoric fossils of the Panhandle—the latter including a giant sloth and saber-

toothed tiger.

Prize scenic bonanza of the Lone Star State is Palo Duro Canyon State Park, a great jagged photogenic scar down into the face of the plains, etched there by erosion of wind and water over a 90-million-year period. Coronado, the Spanish Conquistador, camped here in 1541—nearly a century before the Pilgrims landed at Plymouth Rock—recording that it was "a league wide from one side to the other, with a little bit of river at the bottom. Today, that same stream crosses the canyon floor five times, and cars sash through it like happy children negotiating a mud puddle.

Grotesque, vividly daubed apparitions in stone rear up from the chasm's sides like minarets and pedestals. Most spectacular landmark of this ancient haven for Indians is the Lighthouse, although the painted brilliance is carried throughout the canyon with the "flowing" Spanish Skirts rock formations. Artists claim they contain 29 colors but the dominant hue is an earthen red.

Attractive camping and picnic spots are shaded by cottonwood trees.

SCENIC SHORT-CUT

Turning east, we took a delightful new short-cut road (Tex. 285), which lived up to Texans' advance billing. Crossing the canyon where it is several miles wide, it easily is one of the most scenic routes in the state. Entrances to barely-glimpsed ranch houses, far from the highway, are marked with the simply lettered owner's name always accompanied by his cattle brand. Wheat grows against a ruddy backdrop of rugged walls and shelves which look like stiff dough, stirred and left to harden.

The approach to Borger is heralded by black smoke trails and silver storage tanks. This colorful city was born on a cold March day in 1926 when oil was discovered. Almost overnight tents, shacks and unprotected cots lined an improvised muddy road, and was sold at 10 cents a glass. Some of the old-timers lament that the "town has turned respectable." Attractive modern business buildings line the still long Main St., and a petro-chemical industry flourishes.

Highlight of the Magic Circle trip back to Amarillo is the old ghost town of Tascosa, cowboy capital of the Texas Panhandle in the '80s—famed in Wild West fiction and a prototype for today's movie and TV "Boss operas." Here the famous and the infamous—from Kit Carson to Billy the

Kid—once strode along the wooden sidewalks. Boot Hill, resting place of those who "died with their boots on," is enclosed by barbed wire. Vandals and time have taken their toll; one remaining red sandstone grave marker reads "Fred D. Chilton, killed March 21, 1886, Age 24."

The historic past provides an exciting modern setting for Boys Ranch, established in 1939 by humanitarian-businessman Cal Farley for youngsters who "need a shirttail to hank onto." The only remaining building of the roaring old town is the stone courthouse; there is nothing ghostlike today about the attractive, homelike buildings teeming with lively boys and frolicking dogs. There is Boot Hill Cemetery for pets where lovingly built wooden crosses mark the resting places of "Boo," "Queenie," "Cacheta," "Peggy." Among them is a life-size fireplug, a thoughtful memento.

Ranch life is busy — school, rounding up the herd, milking, chores to be done. There is plenty of time for play, too — riding, swimming, football, fishing and overnight camp-outs with the chuck wagon along. High point of the year is Labor Day weekend when there are thrills and spills at the annual rodeo. The boys practice all August for the big event.

After World War I, Germany issued coins made of porcelain and papier-mache.

OPTOMETRISTS HOLD ELECTION

BEDFORD, Pa. (AP)—Dr. Bernard Cushner of Philadelphia is the new president of the Pennsylvania Optometric Association, succeeding Dr. Melvin D. Wolfberg of Selinsgrove.

Dr. Cushner was elected Tuesday at the closing session of the association's three-day 65th annual convention.

The association also cited Gov. Lawrence for "his leadership in developing an effective highway safety program which through preventive health care and vision tests is serving to reduce needless highway accidents."

State House Speaker Hiram G. Andrews of Johnstown accepted the association's award in behalf of the governor.

Other officers elected were: Dr. Joseph A. Perka of Pittsburgh, Dr. Harry Kaplan of Philadelphia, Dr. Irving Suttin of Carnegie and Dr. Ray L. Kich of Hershey, vice presidents; Dr. Vincent MacAvage of Orwigsburg, treasurer, and Dr. Alvin Levin of Carlisle, secretary.

Mrs. Clifford Wagner of Hamburg was named president of the association's auxiliary. She succeeds Mrs. Melvin Wolfberg, wife of the outgoing association president.

Some luxury compacts make you choose between your friends... and your luggage. But not the new Falcon Futura.

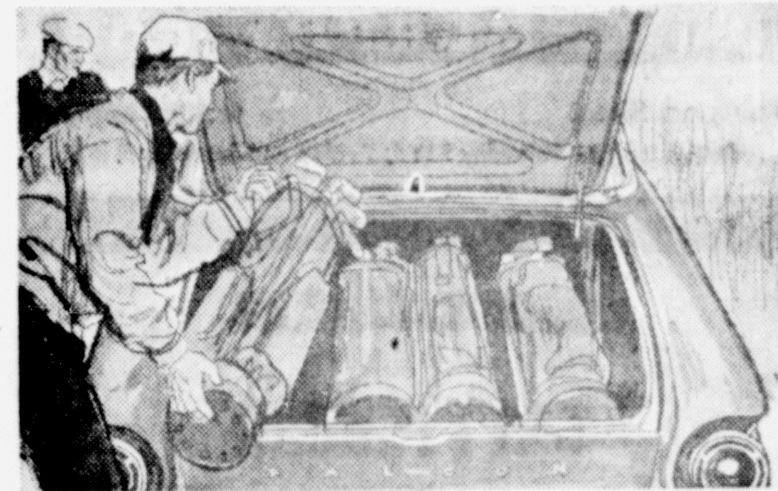

In a Futura you not only get a luxurious interior with individually contoured bucket seats, a handy console between them, wall-to-wall carpeting, and all the extras; you also get room for three people in the back seat, plus...

... a big roomy trunk. You put luggage in its place, not in the back seat which is reserved for your friends. Futura doesn't cramp your style—or your budget either! It's America's lowest-priced* luxury compact. It costs you less to run, too. Read about Falcon's record-breaking Mobilgas Economy Run win below!

*Based on a comparison of manufacturers' suggested retail delivered prices.

NOTE: Under the test conditions of the Mobilgas Economy Run, a Falcon, with standard shift, scored 32.6 miles per gallon... best gas mileage of any 6- or 8-cylinder car in the 25-year history of the Run! (Another Falcon was second, with 31.6 mpg!) Drivers of all cars were experts... and really out to win. But Falcon topped 'em all!

WhitesAndNegroesBreak RacialBarriersInAlabama, ThenHeadForNewOrleans

MONTGOMERY, Ala. (AP)—Eleven "freedom riders"—white and Negro—broke the racial barriers in a bus station luncheon today. Then, under heavy military guard, they left for New Orleans, La., in a continued assault on Southern segregation.

Others waited behind with announced plans to board another bus at 11 a.m. for the same destination.

National Guardsmen with fixed bayonets, and state and city police sealed off the block around the downtown Trailway bus station to prevent a recurrence of the bloody weekend race riots which followed arrival of some of the riders here Saturday.

ESCORT TO LINE

And, to guard against demonstrations along the route, a convoy of approximately 75 Guardsmen and 100 highway patrolmen, specially trained in mob control, was ordered to take the bus to the Mississippi state line.

Similar precautions were under way in Mississippi.

Brig. Gen. W. P. Wilson, adjutant general in the adjoining state, flew to Meridian, near the state line, to await arrival of the bus. Gov. Ross Barnett already had alerted the Mississippi highway patrol and National Guardsmen to stand by.

Unless changed en route, the bus would go through Selma and Demopolis, Ala., and Meridian and Jackson, Miss.

ALL WERE SERVED

Before boarding the bus, most of the Negro riders walked calmly to the bus station luncheon counter heretofore reserved for white passengers, and ordered breakfast. No attempt was made to refuse them.

The bus station manager, W. E. Evans, said no Negro had ever eaten there before.

Civilian police and National Guardsmen, mobilized under martial law since Sunday night when the racial violence erupted at a Negro church, took widespread precautions to prevent a new outbreak as the riders prepared to leave today.

The entire block in front of the

GOVERNMENT TO PROBE ATT FOR MONOPOLY

WASHINGTON (AP)—The government has started an antitrust investigation of the American Telephone and Telegraph Co.

Lee Loevinger, assistant attorney general in charge of the Justice Department's antitrust division, said that as a result of "a number of complaints concerning activities" of AT&T, the division is investigating various aspects of the telephone industry.

Stock in AT&T dropped more than \$3 a share in early trading today on the New York Stock Exchange.

Loevinger disclosed the investigation in a letter to E. L. Hageman, president of the Western Union Telegraphers Union. Hageman had complained specifically that a new Telpak service is tending to take business from the Western Union Telegraph Co.

RETAINS TELEGRAPH

Telpak is a leased wire service offering various forms of communication.

Hageman said that although AT&T was forced to divorce itself from the telegraph communications business many years ago, it retained the word "telegraph" in its company name and by 1960 was taking in 44 per cent of the total telegraphic revenues in the United States through teletype, writer and other forms of service.

"The time has come for our government to take action against this gigantic communications monopoly," Hageman wrote the Justice Department. "The Bell System has had a monopoly in voice communications for many years. It should be confined to that field and should be compelled to get out of the record (written) communications field."

LETTER NOT RECEIVED

In New York, an AT&T spokesman said the company had not heard directly from the Justice Department on the subject. He said the company did not have a copy of the Loevinger letter.

The company said it is still offering Telpak although only under certain restrictions in compliance with an FCC directive.

In April the company estimated there were 100 customers using Telpak.

LANCASTER LIVESTOCK

LANCASTER, Pa. (AP)—(S.D.A.)—Cattle 200; good and choice feeder steers 24.00-26.00. Calves 125; good and choice weaners 29.00-35.00; choice and prime 35.00-38.00; standard and low good 24.00-29.00. Hogs 250; barrows and gilts 18.00-18.50. Sheep 100; good and choice spring slaughter lambs 19.00-21.00.

Tanganyika, a British trust territory in Africa, is almost the size of France, Belgium and Germany combined. The population numbers about 23,000 Europeans, 200,000 Asians and Arabs, and nine million Africans.

bus station was cleared of traffic. Steel-helmeted National Guardsmen standing almost shoulder to shoulder kept bystanders away.

TROOPS ON ROOF

Other troops, rifles ready, stood guard on the roofs of nearby buildings.

Thirty minutes after the bus left the station headed south, the highway patrol broadcast an alert to all cars along the route to "be on a sharp lookout right and left," especially along stretches of U.S. 80 bordered by dense woods.

There was no evidence of U.S. marshals in the armed guard as the bus left Montgomery. The federal officers sent here Saturday night after the race rioting broke out patrolled the streets until they were pulled back to their quarters at Maxwell Air Force Base.

One white man accompanied 10 Negroes on the bus today. He gave his name as Paul Dietrich, 29-year-old theology student at the Arlington extension of the University of Virginia. He said his home is in Harrisburg, Pa.

SOME ARE MAILED

Also on the bus were three of the Negroes whose arrival Saturday at the Greyhound bus station touched off a wild outburst of violence.

Twenty persons—some bystanders—were mauled at that time by screaming, club-swinging white men and women.

The Rev. Martin Luther King Jr., who led the fight against city bus segregation here five years ago, accompanied the riders to the station this morning.

He did not go with them on the westward journey, but told them "I hope you have a good time."

The National Guard commander, Adj. Gen. Henry V. Graham, boarded the bus before the riders left and warned them it might be a dangerous trip.

UNDER MARTIAL LAW

Graham has been in command of the military since Gov. John Patterson put the riot-stricken birthplace of the Civil War Confederacy under martial law.

Several newsmen bought tickets for the bus trip. Others followed in private cars.

White crowds gathered behind the cordon of National Guardsmen near the station, but made no effort to push through the human barricade. Some muttered threats, but nothing more.

Sharp Losses On Stock Mart Today

NEW YORK (AP)—The stock market sagged early this afternoon as American Telephone took a sharp loss on news that the government has started an antitrust investigation of the company. Trading was fairly active.

The Associated Press average of 60 stocks fell .60 to 249.50, with industrials off 1.50, rails off .30 and utilities .20.

Further sharp declines by Du Pont and General Motors, still reacting from the Supreme Court decision that Du Pont must get rid of its holdings of GM, accentuated the decline.

Changes were fairly narrow throughout the rest of the list but the retreat of the three heavily-weighted blue chips dragged down the popular market averages.

LAUDS LABOR ON ITS STAND

PHILADELPHIA (AP)—Gov. Lawrence today commended organized labor for its work in support of progressive federal and state legislative programs.

In remarks prepared for delivery at the annual AFL-CIO convention here, he said:

"When the voices of the lobbyists are rounded up outside the halls of the Congress, no voice speaks more clearly for aid to education, for Civil Rights or for American strength in a tormented world than does the voice of American labor."

"This is the case in Washington; it is true, also, in Harrisburg, where administrators and legislators alike have grown accustomed to hearing Pennsylvania labor leaders speaking out, loud and strong, for laws which protect all citizens of our state and insure them of a brighter future."

Gov. Lawrence continued: "I can think of no better example than the new law to prevent discrimination in housing against any individual because of his creed, color or national origin."

"TRADEMARK U.S.A."

CARNATION TOO BIG FOR 1 MAN

SAN FRANCISCO (AP)—No one man should run the Carnation Co., says E. Hadley Stuart Jr., son of the board chairman of the big dairy products firm. He was talking about his father.

The younger Stuart, 44, Tuesday announced his resignation as vice president and director of the \$166 million business.

"This is no grudge," he declared. "It is a basic policy disagreement. The fact that the board chairman is my father is only incidental."

Expressing concern for the company's future, Stuart said no decisions can be made without consulting his 73-year-old father, who spends considerable time traveling or at the firm's model dairy farm at Carnation, Wash. Company headquarters is in Los Angeles.

He does not intend to organize a proxy fight against his father, he said.

Elected President Of ABA Council

ATLANTIC CITY, N.J. (AP)—T. Allen Glenn Jr., president of the Peoples National Bank and Trust Co. of Norristown, Pa., has been elected president of the American Bankers Association executive council.

Glenn succeeds O. Albert Johnson, president of the Hamilton Bank and Trust Co., Smethport, Pa. The term runs three years.

The trust division of the Pennsylvania Bankers Association chose as its chairman Donald H. Miller, vice president and trust officer of the Union Bank and Trust Co. of Bethlehem.

He succeeds Merle B. Mitcham, vice president and trust officer of the First Seneca Bank and Trust Co. of Oil City.

individual because of his creed, color or national origin."

Lawrence To Get Honorary Degree

PITTSBURGH (AP)—Gov. Lawrence will receive an honorary Doctor of Laws Degree at commencement exercises of Duquesne University June 4.

Other honorary degrees will be conferred on Bishop William G.

Connare of the Greensburg Roman Catholic Diocese; James F. Connaughton, president of Bell Intercontinental Corp.; and the Rev. Joseph J. Burns, associate professor of education at Villanova University.

Gov. Lawrence also will deliver the commencement address.

NOTICE

The board of Directors of the School District of the Township of Strasban, Adams County, Pa., pursuant to the provisions of Act 248 of the General Assembly, approved June 25, 1947, P.L. 1245 and its amendments, hereby gives notice of its intention to adopt a resolution at a meeting of said Board to be held Monday, June 12, 1961, at 8:00 o'clock, a.m., D.S.T., in the Gettysburg High School, Gettysburg, Pa., for the school year 1961-62, providing for the imposition, levying, assessing and collecting of a tax for general revenue purposes on the occupancies of all residents of said school district over the age of twenty-one (21) years at the rate of one hundred (100) mills, that is ten (10) cents on each one (\$1.00) dollar of the occupancies of each such resident, providing for the payment, method and manner for collection of tax imposed, assessed and levied by this resolution, and imposing penalties for default in payment and imposing responsibility on the husband for his wife's tax. The reason which, in the judgment of the Board, necessitates the imposition of the aforesaid tax is the need to secure funds to meet current operating expenses and rental obligations of the school district. The amount of revenue estimated to be derived from said tax is approximately \$9,825.00 per year.

SCHOOL DISTRICT OF THE TOWNSHIP OF STRASBAN, ADAMS COUNTY, PA.

NOTICE

Take notice that the 1958 resolution which provided for the assessing, levying and collection of a one per cent (1%) Realty Transfer Tax for general revenue purposes for the School District of Strasban Township, Adams County, Pennsylvania, for the school year 1958-59, has been renewed without substantial change for the school year 1961-62 by the School District of Strasban Township, aforesaid.

SCHOOL APPLIANCE SALE In February the Bermudian Springs High School awarded us a contract to provide Frigidaire appliances for the Home Economics department; however when we recently delivered the products we found that through some mix-up in the layout of the department different size products other than those originally ordered were required. Consequently we made the change and are now offering the Frigidaire appliances that we took back at greatly reduced prices on a first come, first serve basis. If you want the buy of your lifetime on a brand new Frigidaire refrigerator, range, or dryer, see us immediately!

Better Sleep in Your Size!

Set of mattress and 2 twin-size box springs 5-inches longer and almost 2-feet wider than standard double-width mattresses.

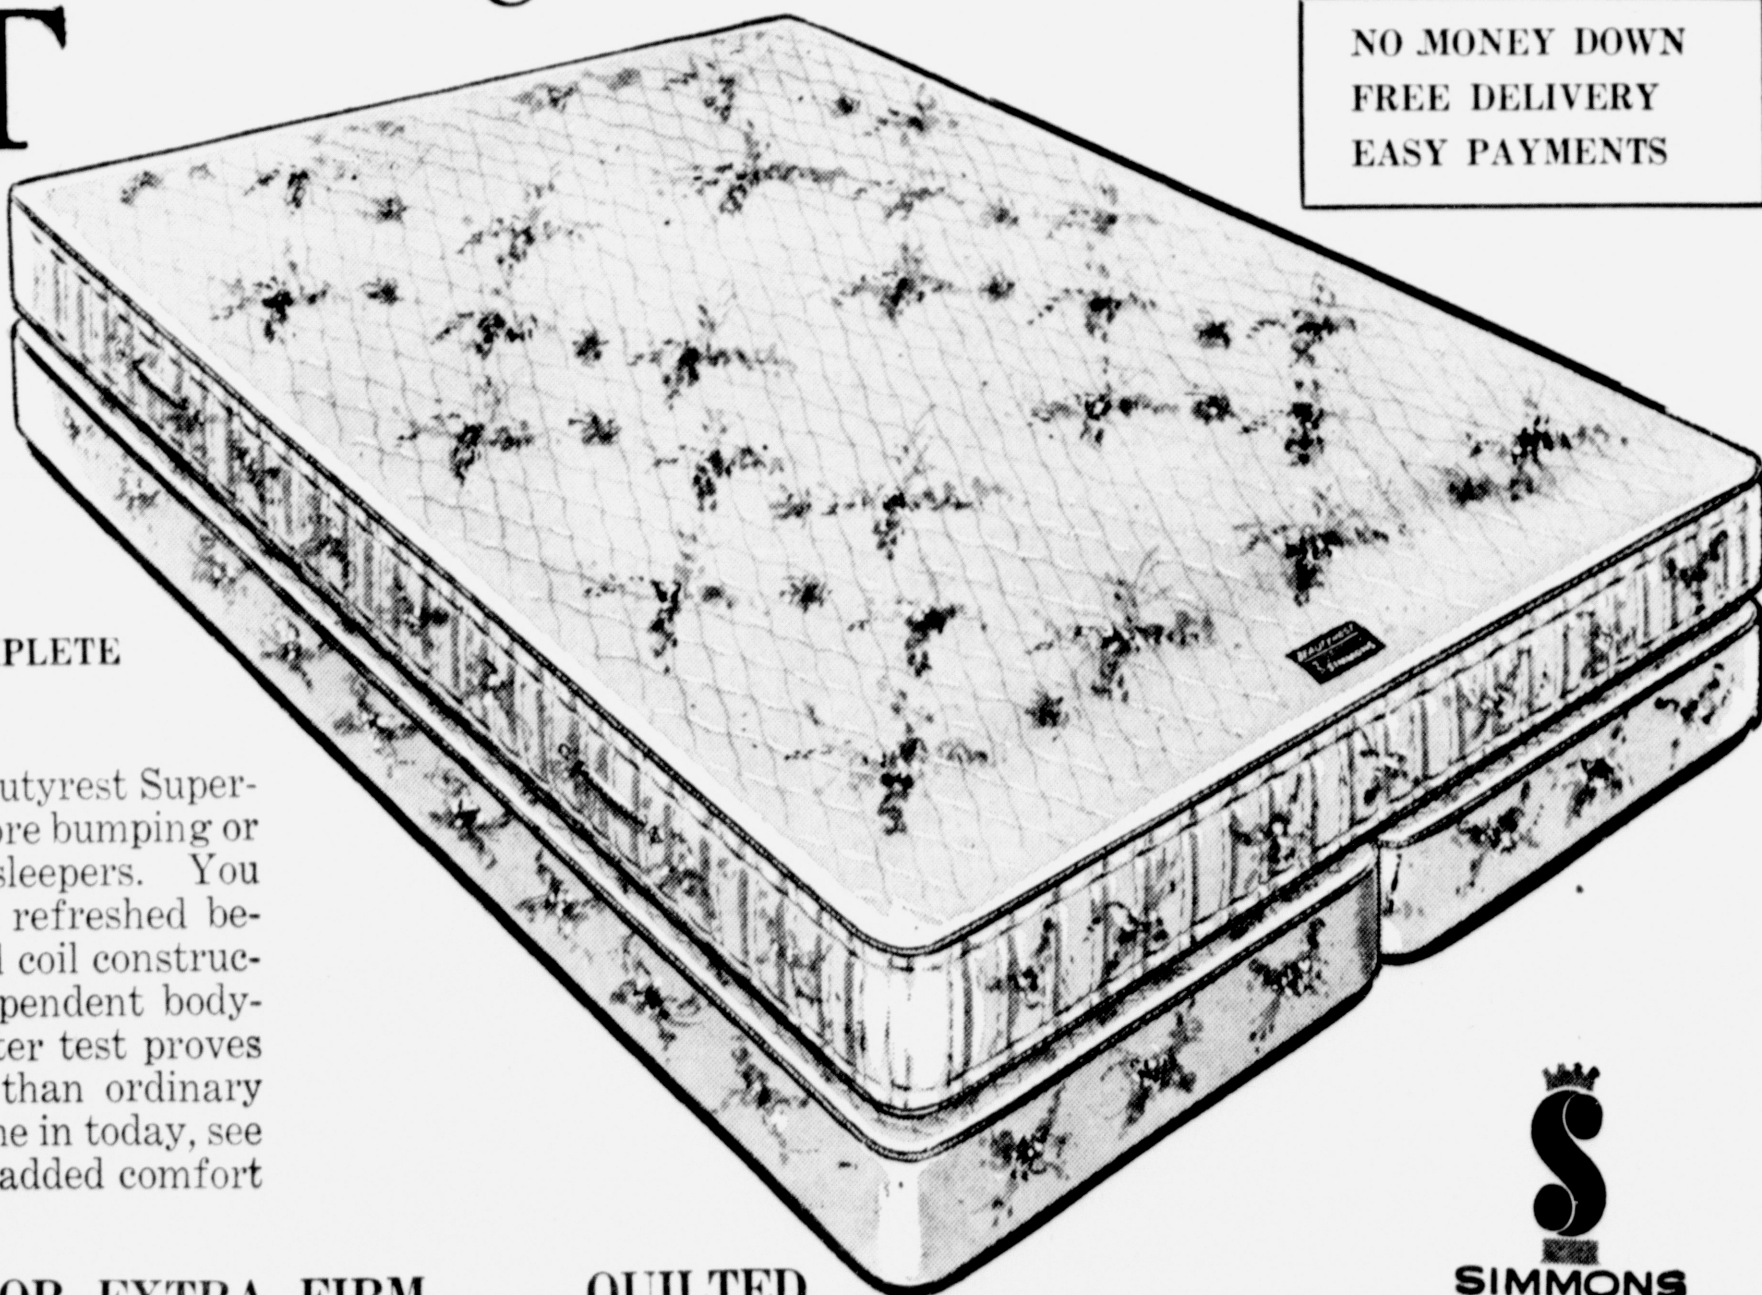

\$299 COMPLETE

Don't wait another night to enjoy the extra comfort of Beautyrest Supersize. There's room to roam for the single-bed sleeper, no more bumping or rolling together for double-bed sleepers. You sleep more soundly, awake more refreshed because of the individually pocketed coil construction featuring separate and independent body-supporting springs. And test after test proves Beautyrest lasts 3 times longer than ordinary connected coil mattresses. So come in today, see for yourself the added space, the added comfort of Beautyrest Supersize.
